Candidates applying under the Adult Learner policy must include a letter of application describing their educational background, work experience, and academic plans. Adult learners must also submit any academic transcripts. Adult learners may be required to demonstrate their ability to succeed at the University level by taking university courses on a part-time basis.

Continuous Admissions Policy

High School students applying to the Bachelor of Arts program for the fall term

St. Thomas University begins accepting applications from well-qualified candidates in October. Applications are processed on a continuous basis until August 31. Grade 12 students who have achieved an average of 70% or higher on five Grade 11 academic courses, including English literature, and whose Grade 12 programs satisfy the university's subject distribution requirements, will receive conditional offers of admission during the first semester of their senior year. Applicants who wish to be considered under this policy may, beginning in October, submit their high school transcript showing Grade 11 (junior year) final grades, as well as first- and second-term Grade 12 (senior year) courses directly to the Admissions Office.

High school students whose admission averages do not meet the above criteria should arrange for a high school transcript showing Grade 12 first-semester results (or Grade 12 mid-year results for non-semestered schools) to be sent to the Admissions Office as soon as it is available. Qualified candidates will be offered conditional acceptance when these results are received.

All applicants who wish to be considered for scholarships (including the guaranteed scholarships) must submit a transcript showing their grade 12 first-semester results (or Grade 12 mid-year results for non-semestered schools) to the Admissions Office. For major scholarships, transcripts must be received by March 1.

In all cases, students must complete their high school graduation requirements and submit transcripts of their final results (including verification of graduation) to the Admissions Office as soon as they are available.

St. Thomas is committed to the development of a learning environment which is accessible to all students. While resources are limited and we cannot accommodate all requests for support services, early submission of such requests enables the university to better meet the needs of students with disabilities.
5. Admissions appeal procedures: each application for admission will be considered only after all the necessary supporting documents have been received. The evaluation of the various documents and the decision concerning the acceptance of an applicant for admission rest with the Admissions Office. An appeal of that decision may be submitted to the Senate Committee on Admissions and Academic Standing. Other than a request for a review of an applicant’s qualifications, no further appeal from that committee’s decision will be granted. For information about the appeal procedure, please contact the University Admissions Office.
