A. Scholarships

St. Thomas University recognizes academic excellence through a generous scholarship program. The university offers a wide range of entrance awards to highly qualified students admitted on the basis of their high school records, as well as numerous scholarships-in course to continuing students who have achieved academic distinction at St. Thomas.

Entrance Scholarships

The Entrance Scholarship program is competitive and is designed to attract outstanding scholars to the St. Thomas University campus. Except when otherwise specified, the entrance awards are open to candidates for full-time admission to the first year of the Bachelor of Arts program who are applying on the basis of their high school records.

1. Selection Criteria

In selecting entrance scholarship recipients, the primary criterion considered by the Entrance Scholarship Selection Committee is the academic record. The Committee reviews the following:

- admission average
- Grade 12 program: courses and levels
- rank in graduating class
- program and performance in grade 11

Note: The admission average is calculated on the senior-level academic English grade and the grades on four other Grade 12 academic courses drawn from our list of approved admissions subjects. For details, please consult Section One, Admissions and Registration. At mid-year, the admission averages for scholarship purposes is calculated on the overall average of final grades on Grade 11 academic subjects, as well as final first-semester results or mid-year results (for nonsemestered schools) on Grade 12 academic subjects.

Other factors considered include:

- a reference letter from a teacher, principal or guidance counsellor

In addition to the academic selection criteria, the following criteria are considered in awarding some entrance scholarships:

- leadership qualities
- extracurricular activities
- financial status

2. Application Procedure

Candidates for full-time admission to the BA program at St. Thomas University who maintain an admission average of 80% or higher must submit a completed scholarship application to the Admissions Office to be considered for all entrance scholarships. Application materials

submitted to the Admissions Office will also be reviewed by the Entrance Scholarship Selection Committee.

3. Application Deadline

The application deadline for all entrance scholarships is March 1 and scholarship offers are announced by April 15. Recipients have until May 15 to confirm acceptance of scholarships by submitting a $100 advance payment on tuition. Scholarship applications received after the March 1 deadline are reviewed on an individual basis and scholarships may be offered, conditional on the availability of awards.

4. Renewal Criteria

Students may hold a renewable scholarship for a maximum of four academic years (September to April).

Recipients of renewable scholarships must maintain the required annual grade point average (see individual scholarship descriptions) on a minimum of 24 credit hours of course work taken during the academic year (September to April). Note: the annual grade point average is calculated on the total number of credit hours taken during the academic year, not the best 24 credit hours.

Please note that the normal full-time course load is 30 credit hours per academic year to complete the 120 credit hour degree program in four years. Students who choose to take fewer than 30 credit hours per year will have to make up the shortfall in credit hours in a subsequent term (e.g., Intersession/Summer session, course overload in a later year, or extension of the degree beyond four years). Scholarship students are responsible for all costs associated with any courses taken outside of the normal academic year (September to April) or beyond four years.

Recipients of a St. Thomas Renewable Entrance Scholarship who are not eligible for renewal of this award may apply in writing to the Registrar's Office for renewal in any subsequent year in which they obtain a minimum annual grade point average of 3.7 on a minimum of 24 credit hours of course work taken during the academic year (September to April). *Note: the annual grade point average is calculated on the total number of credit hours taken during the academic year, not the best 24 credit hours.*
