

Dear Colleagues:

Louise Robert, Deputy Director, Knowledge Creation Programmes & Head, Multidisciplinary Unit of Canadian Institutes of Health Research will give a presentation on grants-craft for CIHR competitions for standard research grants on:

**Thursday, April 3, 2003 at 11:30am - 1:00 pm**

Brian Mulroney Hall, Room 101  
St. Thomas University,  
College Hill,  
Fredericton, NB

**All are Welcome!**

A profile on Louise Robert:

Louise has worked at CIHR for 2 years as Deputy Director of Knowledge Creation Programmes & Head of Multidisciplinary Unit at CIHR. In this role she directs and manages the Peer Review Committees likely to attract multidisciplinary researchers. She is also responsible for increasing the links between CIHR and social sciences and humanities health researchers.

Prior to this she was engaged as the Executive Director, Humanities and Social Sciences Federation of Canada from 1998 - 2001. In this role she was responsible for the management of the yearly Congress of the Social Sciences and Humanities that brings together between 4,000 and 9,000 researchers.

1988-1996 PhD in intellectual history
