

SSHRC Grants Application Time Line

Grant	Registration Date	Application Date	Description	Link
Strategic Joint Initiatives: CISS Research Data Centres	NA	January 5, 2003	To support research that will help Canadians acquire workplace and general life skills Up to \$100,000/annum/Workshop	http://www.sshrc.ca/web/apply/program_descriptions/essential_skills_e.asp
CESC-SSHRC Education Research Initiative	NA	January 5, 2003	To support quantitative research in education relevant to the new economy that draws on unique Canadian data sets. Up to \$100,000/over 2 years	http://www.sshrc.ca/web/apply/program_descriptions/ine/education_research_e.asp
National Research Network on the Human Dimensions of Biosphere Greenhouse Gas Management: Research Directorship Grant	NA	January 27, 2003	Supports a research director to oversee, coordinate, develop and promote the work of the several research nodes that constitute the network. Up to \$67,000 or \$220,000	http://www.sshrc.ca/web/apply/program_descriptions/biocap_e.asp
Strategic Joint Initiatives: Essential Skills Workshop Grants	NA	April 30, 2003	For Essential Skills Research Grant holders to participate in a workshop on policy-relevant research in essential skills Up to \$100,000/annum/Workshop	http://www.sshrc.ca/web/apply/program_descriptions/essential_skills_e.asp
Aid to Occasional Research Conferences and International Congresses in Canada	NA	May 1, 2003	For organizing, in Canada, conferences, workshops, symposia, colloquia and periodic congresses of major international scholarly associations Up to \$10,000 or \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/conferences_e.asp
Aid to Research and Transfer Journals	NA	June 30, every three years (2004, 2007, etc.)	General and Special Initiative Grants for organizations publishing research and transfer journals Up to \$30,000/annum	http://www.sshrc.ca/web/apply/program_descriptions/journals_e.asp
INE Collaborative Research Initiatives	NA	Formal Application (by invitation only): July 4, 2003	To support research partnerships to address complex new economy issues Up to \$300,000/annum	http://www.sshrc.ca/web/apply/program_descriptions/ine/alliances_e.asp
INE Research Alliances	NA	Formal Application (by invitation only): July 18, 2003	To encourage partnerships between academic institutions and community organizations to address INE issues Up to \$300,000/annum	http://www.sshrc.ca/web/apply/program_descriptions/ine/alliances_e.asp
Strategic Research Grants: Community-University Research Alliances	Letter of Intent: 08-Dec	Formal Application (by invitation only): 4 Aug	To support research projects jointly developed and undertaken by university-based researchers and organizations from the community Up to \$200,000 /annum	http://www.sshrc.ca/web/apply/program_descriptions/cura_e.asp

Major Collaborative Research Initiatives	Letter of Intent: 01-Jan	Formal Application (by invitation only): 1 Sept	To support large-scale, leading-edge research that addresses broad and critical issues of intellectual, economic and cultural significance Up to \$500,000 /annum	http://www.sshrc.ca/web/apply/program_descriptions/mcri_e.asp
Strategic Research Grants: Image, Text, Sound and Technology	NA	September 15, 2003	To help scholars apply innovative digital technologies to research on image, text and sound Up to \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/itst/networking_e.asp
Image, Text, Sound and Technology: Networking Grants		September 15, 2003	To help scholars apply innovative digital technologies to research on image, text and sound. Up to \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/itst/networking_e.asp
The Jules and Gabrielle Léger Fellowship	NA	October 1 every two years (2003, 2005, etc.)	To support research and writing on the contributions that the Crown and its representatives have made to Canada \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/fellowships/leger_e.asp
Thérèse F.-Casgrain Fellowship	NA	October 1, every two years (2002, 2004, etc.)	To support research on women and social change in Canada \$40,000	http://www.sshrc.ca/web/apply/program_descriptions/fellowships/casgrain_e.asp
Bora Laskin National Fellowship in Human Rights Research	NA	October 1, 2003	To support interdisciplinary or multidisciplinary research and the development of expertise in human rights \$55,000	http://www.sshrc.ca/web/apply/program_descriptions/fellowships/bora_laskin_e.asp
Valuing Literacy in Canada: Virtual Scholar in Residence	NA	October 14, 2003	For one scholar to take a leading role in advancing the National Literacy Secretariat's research and dissemination mandate Up to \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/valuing_literacy_e.asp
Standard Research Grants	NA	October 15, 2003	To support investigator-chosen research in the social sciences and humanities conducted by individuals or teams Up to \$100,000	http://www.sshrc.ca/web/apply/faculty_e.asp#1
Multiculturalism Issues in Canada: Research Grants	NA	October 20, 2003	To support research on diverse issues that arise out of Canada's increasingly multicultural and multiethnic population. Up to \$50,000 or \$100,000	http://www.sshrc.ca/web/apply/program_descriptions/multiculturalism_e.asp
Aid to Occasional Research Conferences and International Congresses in Canada	NA	November 1, 2003	For organizing, in Canada, conferences, workshops, symposia, colloquia and periodic congresses of major international scholarly associations Up to \$10,000 or \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/conferences_e.asp

Strategic Research Grants: Research/Creation Grants in Fine Arts	NA	November 17, 2003	For programs of research/creation by artist-researchers affiliated with Canadian postsecondary institutions Up to \$100,000/annum	http://www.sshrc.ca/web/apply/program_descriptions/fine_arts_e.asp
Virtual Scholar in Residence	NA	December 1, 2003	To fund individuals to work with the Law Commission of Canada to advance research in specific areas Up to \$50,000	http://www.sshrc.ca/web/apply/program_descriptions/virtual_scholar_e.asp
Relationships in Transition	NA	December 1, 2003	To support individuals and teams writing papers that address public policy issues in law reform Up to \$40,000 per paper	http://www.sshrc.ca/web/apply/program_descriptions/relationships_e.asp
Strategic Research Grants: Research Development Initiatives	NA	December 15, 2003	To support analysis of changing directions in research and in the evolution of academic disciplines Up to \$40,000	http://www.sshrc.ca/web/apply/program_descriptions/rdi_e.asp
Strategic Joint Initiatives:	NA	Applications may be submitted at any time	Research Data Centres (RDC) provide researchers with access to confidential social statistics data collected by Statistics Canada	http://www.sshrc.ca/web/apply/program_descriptions/ciss_research_data_e.asp

CIHR Grants Application Time Line

Randomized Controlled Trials	October 1, 2003	February 1, 2003	A randomized controlled trial (RCT) is a study involving humans where at least two interventions are compared using random allocation, statistical methodologies and blinding techniques, for the purpose of determining whether an innovative intervention leads to improved health.	http://www.cihr-irsc.gc.ca/e/services/3859.shtml
Operating Grants	February 1, 2003	March 1, 2003	An Operating Grant provides support for a research project by an individual or small group of investigators.	http://www.cihr-irsc.gc.ca/e/services/3880.shtml
Equipment Grants	February 1, 2003	March 1, 2003	CIHR offers Equipment Grants to provide funds for the purchase of specific equipment item(s) required for the conduct of ongoing research for a single CIHR operating grant or for several CIHR research grants held by one or two investigators.	http://www.cihr-irsc.gc.ca/e/services/3861.shtml

Maintenance Grants	February 1, 2003	March 1, 2003	CIHR will consider applications for the costs of maintaining instruments that are not part of shared facilities and are required for the conduct of ongoing research for a single CIHR operating grant, or for several CIHR research grants held by one or two investigators.	http://www.cihr-irsc.gc.ca/e/services/3866.shtml
Randomized Controlled Trials	January 15, 2003	April 1, 2003	A randomized controlled trial (RCT) is a study involving humans where at least two interventions are compared using random allocation, statistical methodologies and blinding techniques, for the purpose of determining whether an innovative intervention leads to improved health.	http://www.cihr-irsc.gc.ca/e/services/3859.shtml
Operating Grants	August 15, 2003	September 15, 2003	An Operating Grant provides support for a research project by an individual or small group of investigators.	http://www.cihr-irsc.gc.ca/e/services/3880.shtml
Equipment Grants	August 15, 2003	September 15, 2003	CIHR offers Equipment Grants to provide funds for the purchase of specific equipment item(s) required for the conduct of ongoing research for a single CIHR operating grant or for several CIHR research grants held by one or two investigators.	http://www.cihr-irsc.gc.ca/e/services/3861.shtml
Maintenance Grants	August 15, 2003	September 15, 2003	CIHR will consider applications for the costs of maintaining instruments that are not part of shared facilities and are required for the conduct of ongoing research for a single CIHR operating grant, or for several CIHR research grants held by one or two investigators.	http://www.cihr-irsc.gc.ca/e/services/3866.shtml
Multi-User Equipment Grants	August 15, 2003	October 1, 2003	CIHR will consider applications for Multi-User Equipment to augment the research capabilities of a number of funded investigators within an institution or region.	http://www.cihr-irsc.gc.ca/e/services/3879.shtml

Multi-User Maintenance Grants	August 15, 2003	October 1, 2003	CIHR will consider applications for Multi-User Maintenance Grants to cover the costs of maintaining facilities that are shared by groups of researchers within a department, faculty, institution or region.	http://www.cihr-irsc.gc.ca/e/services/3868.shtml
Randomized Controlled Trials	August 1, 2003	October 1, 2003	A randomized controlled trial (RCT) is a study involving humans where at least two interventions are compared using random allocation, statistical methodologies and blinding techniques, for the purpose of determining whether an innovative intervention leads to improved health.	http://www.cihr-irsc.gc.ca/e/services/3859.shtml
