**Meal Plan FAQs can be found - <http://w3.stu.ca/stu/currentstudents/residence/faqs>**

### **The Freedom Plan – Value and Maximum Flexibility (\$3,838)**

Enjoy unlimited access to the George Martin and Forest Hill dining halls during all hours of operation. This plan takes away the need to budget or count meals/visits during the week. It is best for students living in residence who anticipate using the dining rooms as their primary source of meals or who tend to have frequent small-meals or snacks throughout the day. The Freedom Plan also includes \$200 STU Dollars (see below). This plan works out to about \$16 a day.

### **The 19-Meal Plan – Controlling Your Budget (\$3,624)**

Maintain control of your budget with a 19 meals-per-week plan. This plan allows holders to enter the George Martin and Forest Hill dining halls up to 19 times during the week for an All You Care To Eat visit. This plan also includes \$200 STU Dollars (see below). This plan works out to be about \$5.82 per meal.

### **The 10-Meal Plan – The Basic (\$3,091)**

With this plan, you will have access to the dining halls up to 10 times-per-week for All You Care To Eat access. This plan is recommended for students living off campus. This Plan includes \$500 STU Dollars (see below). This plan works out to be about \$8 per meal.

### **STU Dollars**

STU Dollars are flex dollars that can be used at other locations on campus, such as the Tim Horton's and Subway outlets, or used to pay for your visitors' meals. Payment at all food locations can also be made by cash, debit, or credit cards.
