ARTICLE 2 GENERAL PROVISIONS OF THE AGREEMENT

2.01 Purpose of the Agreement

The purpose of the Agreement is to promote and maintain harmonious relations between the Employer and Employees, and to provide an amicable method of settling differences or grievances that may arise from time to time between the Parties. The Parties both recognize that the purposes of the University include providing a facility for higher education through teaching, research, and service. Both Parties agree to work cooperatively towards developing the quality and effectiveness of the education provided by the University, and to encourage a climate of justice, freedom, responsibility and mutual respect in the pursuit of the University's goals.

2.02 Validity

All provisions of the Agreement are subject to applicable laws now or hereafter in effect. If any proclamation, regulation, federal, or provincial law now existing or hereafter enacted shall invalidate any portion of the Agreement, the remainder of the Agreement shall not be invalidated and shall remain in full effect.

2.03 Provisions of the *Industrial Relations Act*

All provisions of the *Industrial Relations Act* of the Province of New Brunswick required for inclusion in Collective Agreements are deemed to be incorporated in this Agreement.

2.04 Academic Freedom

2.04.1 The Employer and the Union agree to abide by and protect the principles of academic freedom as expressed below.

St. Thomas University serves the common good of society, through searching for, and disseminating, knowledge, and understanding and through fostering independent thinking and expression in faculty and students. These ends cannot be achieved without academic freedom. All faculty have a right to academic freedom. Academic freedom makes intellectual discourse, critique, and commitment possible.

2.04.2 Employees shall have:

- (i) freedom of discussion, freedom to criticize, including criticism of the University and the Union, freedom from censorship by the Parties, and freedom to consider and study all available expressions of creativity, knowledge, and intellectual activity, including those which may be considered by some elements of society to be unconventional, unpopular or unacceptable;
- (ii) freedom in the choice and pursuit of research, and freedom to publish and to withhold publication of the results and conclusions of such research;

- (iii) freedom in the choice and pursuit of teaching, and to state their views on matters relating to their discipline;
- (iv) freedom to produce and perform creative works;
- (v) freedom to engage in service to the University and the community;
- (vi) freedom to participate in professional and representative academic bodies; and
- (vii) freedom to contribute to social change through free expression of opinion on matters of public interest.

2.04.3 Academic freedom does not require neutrality; rather, academic freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base research, teaching and scholarship on an honest search for knowledge, and with regard to the academic freedom and rights of other members of the University community. Academic freedom does not confer legal immunity, nor does it diminish the obligation of Employees to meet their responsibilities to the University. Employees shall not be hindered or impeded in any way, by either of the Parties to this Agreement, from exercising their legal rights, nor shall they suffer any penalties because of the exercise of such legal rights.

2.05 No Discrimination and Duty to Accommodate

2.05.1 No Discrimination

The Parties agree that there shall be no discrimination practised in respect of any terms and conditions of employment, including hiring, consistent with existing applicable federal and provincial legislation. The protected grounds include, but are not limited to, race, colour, creed or religion, national origin, ancestry, place of origin, sex, marital status, family status, sexual orientation, gender identity or expression, political belief or activity, physical disability, mental disability, social condition, age, membership or activity in the Union, or the exercise of any right in this Agreement or in law, except where such factor is a *bona fide* condition of employment.

2.05.2 Duty to Accommodate

The Employer and the Union acknowledge that all Employees are entitled to reasonable accommodation to the point of undue hardship for any of the protected grounds under the New Brunswick *Human Rights Act*.

Each accommodation request shall be considered on a case-by-case basis and the Employer shall consider any documentary medical or other evidence provided by the Employee. Employees are expected to participate and cooperate in the accommodation process, including accepting reasonable accommodation solutions that the Employer may propose.

All Employer rules, policies and practices are subject to the application of the New Brunswick *Human Rights Act*.

When requested by the Employee in writing, the Employer has an obligation to respond in writing to explain the denial of a request for accommodation.

2.06 Full and Fair Consideration

- 2.06.1 The Employer and the Union agree to abide by the principle of full and fair consideration in any and all proceedings under the terms of this Agreement. In order to assure full consideration of recommendations and decisions under this Agreement, all relevant evidence shall be considered. In order to assure fair consideration, all recommendations and decisions shall be made without bias, discrimination, or infringement of academic freedom, and they shall be based on the proper application of the criteria established in this Agreement.
- 2.06.2 In order to facilitate full and fair consideration in all hearings and arbitration proceedings permitted under this Agreement, no such proceedings shall be deemed invalid because of any defect in form or any technical irregularity.
- 2.06.3 The dates for recommendations and decisions in this Agreement are arranged to facilitate full and fair consideration. In unusual circumstances where pressure of time makes full and fair consideration impossible without extension of deadlines, individuals or Chairs of committees may request such an extension by writing to the University President and the President of the Union, giving reasons for the request and proposing a new deadline. If warranted, the Union and the Employer may agree to an extension of the deadline to a later date.
- 2.06.4 When a deadline is extended under Article 2.06.3, all subsequent deadlines concerning the same case shall automatically be extended by the same number of days.

2.07 Amendments to the *Act of Incorporation* and the By-Laws

Any proposal by the Employer to amend the act of incorporation of St. Thomas University or those by-laws of the University which relate either to the academic senate or to faculty representation on the Board of Governors shall require prior consultation with, but not the approval of, the Union.

2.08 Correspondence

All correspondence between the Employer and the Union, which gives notice to the other Party or represents a commitment or undertaking pursuant to the Agreement, shall pass to and from the President of the University and the President of the Union. Other matters involving the negotiation and administration of the Agreement may pass between other designated officials representing the Parties.

2.09 Copies of the Agreement

The Employer shall include a copy of this Agreement on the University's web page as soon as possible and provide a print copy to all members of the Bargaining Unit.

2.10 Management Rights

- 2.10.1 Subject to this Agreement, the Union acknowledges that it is the exclusive function of the University to hire, promote and classify Employees and also the right of the University to discipline, suspend or discharge any Employee for just cause.
- 2.10.2 The University has retained and shall possess and exercise all rights and functions, powers, privileges and authority that the University possessed prior to the signing of this Agreement with the Union, excepting only those that are relinquished or restricted in this Agreement.
- 2.10.3 Where an Employer policy conflicts with, is inconsistent with, or interferes with any of the terms and conditions of this Agreement, this Agreement shall be followed.

2.11 Continuation of Rights

The Employer agrees to exercise its management functions in a just and reasonable manner and, in so doing, to maintain all reasonable and established benefits in terms and conditions of employment enjoyed by any Employee, unless such benefits are modified by this Agreement or by mutual consent. It is agreed that the level at which support services and facilities are maintained may be adjusted from time to time, provided that such adjustment be justified and provided that reasonable notice of such adjustment be given.

2.12 Right to Privacy

- 2.12.1 Upon its coming into force, the Employer and Employees must abide by the New Brunswick *Right to Information and Protection of Privacy Act*, R.S.N.B. c. R-10.6, as may be amended.
- 2.12.2 Employees have a right to privacy in their personal and professional communications and files, including but not limited to any communication on paper or in an electronic form. The level of privacy does not exceed, however, that of reasonable expectations which must be balanced with the Employer's right to manage the workplace and its obligation to provide a safe and secure working environment.
- 2.12.3 The Employer reserves the right to monitor and access computer accounts in order to maintain the integrity of the computer system in a secure and reasonable manner and to further its legitimate interests and legal obligations by ensuring use of the system is lawful and reasonable in an academic workplace. Personal use of the Internet shall not be a violation of this Article absent advance notification with reasons from the Employer that either the quantity or nature of the usage constitutes a violation. For clarity, all use is subject to Article 2.04 (Academic Freedom). Only authorized personnel in the performance of their employment duties may access and monitor the use of information technology and computing facilities.
- 2.12.4 The Employer shall treat Employee communications and files as private and shall not allow Third Parties to examine Employee communications and files or disclose Employee information to a Third Party unless it is the subject of a subpoena or summons served on the University, or the examination or disclosure is otherwise required by law. "Third Party" refers to persons and legal entities not acting on behalf

of the Employer. Authorization for the examination or disclosure of Employee communications, files or information under this clause requires the prior approval of the Provost and Vice-President (Academic and Research). The Union shall be notified immediately of any examination or disclosure of information under this clause and the circumstances leading to that disclosure, unless the examination or disclosure is part of an on-going criminal or statutory investigation by a Third Party that could be jeopardized by such immediate notification.

- 2.12.5 Subject to Article 2 (General Provisions of the Agreement), Employees have the right not to be put under surveillance. This right not to be watched by the Employer includes non-electronic surveillance, electronic eavesdropping or video cameras, and any kind of computer surveillance or other devices. This right does not apply in situations of potential danger or threats to the members of the University community. Undisclosed surveillance by the Employer shall only be conducted as a last resort and after all other reasonable alternatives have been exhausted. Undisclosed surveillance by the Employer shall be conducted in a reasonable manner, proportional to the Employer's legitimate interests in providing a safe and secure working environment, and where authorized by law.
- 2.12.6 Any evidence obtained through surveillance shall not be used in disciplinary matters unless obtained in compliance with this Article or from a law enforcement agency.
- 2.12.7 The Parties recognize that the safety of employees, staff, students and the general public may require the violation of individual privacy for the installation of video cameras, audio recorders or other monitoring devices in public access areas of the campus such as parking lots, walkways, building entrances, exits and hallways. Any areas subject to such surveillance must be identified by posted notice to that effect. For greater clarity, University classrooms, other areas used for teaching purposes (not including space outside University buildings), Employees' offices, the Union office, work space and laboratories are not considered public access areas.
- 2.12.8 The Joint Committee shall recommend procedures to govern who has the authority to initiate surveillance, the duration of any surveillance, where images or audio recordings shall be stored, who shall have access to such recordings, and how long such recordings shall be retained.
- 2.12.9 In developing its recommendation for surveillance procedures, the Joint Committee shall make reasonable provisions to protect the health, safety and security of Employees.
- 2.12.10 The Employer shall maintain a log-book of all surveillance and give access to this log-book to the Union upon request. However, surveillance that is part of an on-going investigation shall not be entered in the log-book until the investigation is complete if doing so would likely undermine the effectiveness of the investigation. The log-book shall indicate who initiated the surveillance, the location of the surveillance, the duration of the surveillance, and the location in which the images or audio recordings are being stored.
- 2.12.11 Subject to Article 13.05, information obtained through surveillance devices and practices shall not be used in any evaluation of an Employee's teaching, research or

service, in any renewal, promotion or tenure proceeding, nor shall it be made part of an Employee's Academic file.

2.13 Collegial Rights

The Parties recognize the importance of the academic, personnel, and governance processes as set out in the *St. Thomas University Act* and will work together to promote collegiality.

The University and the Union affirm the right, privilege and responsibility of faculty to participate in collegial governance of the University, in accordance with and subject to the policies, procedures and bylaws of the University and the Senate.

2.14 Copyright/Intellectual Property

- 2.14.1 The Parties agree that Employees have no obligation to seek intellectual property protection for the results of their work, nor to modify their scholarly endeavours to enhance the ability of their work to be protected.
- 2.14.2 Employees have the right to and are encouraged to discuss and publish the results of their scholarly endeavours as fully as may be reasonably possible.
- 2.14.3 The University, in keeping with long-standing academic custom, recognizes the ownership by the Employee of copyright in traditional works of authorship such as, textbooks; scholarly monographs and articles; bibliographies; glossaries; lectures and laboratory notes; works of non-fiction; artistic works such as dramatic works and performances; musical or dramatic compositions and performances; visual works of art; sculpture; and poetry, whether such works are disseminated visually, in print, or electronically.
- 2.14.4 Unless governed by specific contracts to the contrary, the University recognizes the ownership by the Employee of copyright in computer programmes and technologically mediated courses, including, but not limited to: correspondence course packages; broadcast courses; interactive textbooks; course work delivered on the Internet; multimedia instructional packages and programmed instructional material.
- 2.14.5 The Employee shall grant to the Employer a non-exclusive, royalty-free, irrevocable and non-transferable right to use, solely for the University's internal use and programmes, any intellectual property developed by the members when such intellectual property results from the use of the University's time, funds, facilities, support or technical personnel. Such right, however, shall not include the right to license or exploit the intellectual property for any purpose other than the internal use of the University.
- 2.14.6 The University recognizes the ownership by the Employee of copyright in course outlines, assessment, grading, reports or correspondence pursuant to the Employee's teaching. The Employee shall grant the University a perpetual license to use these materials in the course of its normal administrative, non-commercial business.

- 2.14.7 Neither the Employer nor the Employee shall enter into any agreement with a third party which alters or abridges the intellectual property rights of the other, without the other's written consent.

2.15 Technologically-Mediated Instruction

- 2.15.1 Technologically-mediated credit or non-credit courses (or modifications thereof) shall only be developed as part of the curriculum offerings of existing Departments or Programmes, or of offerings agreed between Departments and Programmes for interdisciplinary credit courses and shall comply with the practices, procedures and criteria which have been established at St. Thomas University for the creation by Departments and Programmes of in-classroom credit courses. The textbooks and learning materials for courses which are to be technologically mediated shall be selected in the same manner as they are for traditional courses.
- 2.15.2 Technologically-mediated instruction shall not be used by the Employer to reduce or eliminate full-time academic positions at the University. No Employee shall be assigned to develop or to deliver a technologically-mediated course without the prior written agreement of the Employee. The agreement shall be delivered by the Employer to the Union within two (2) weeks of signing.
- 2.15.3 Employees engaged in technologically-mediated courses shall have academic freedom as teachers and researchers as stipulated in this Agreement including full freedom in discussing their subject. Oversight or review of courses shall be made according to procedures and regulations established by the Department or Programme and by the Senate and shall be consistent with Article 2.04 (Academic Freedom) of this Agreement. Employees shall be free to submit technologically-mediated courses they have created as evidence to the appropriate evaluation committee concerned with the granting of tenure or promotion.

ARTICLE 3 EMPLOYER-UNION RELATIONS

3.01 Recognition

The Employer recognizes the Union as the sole collective bargaining agent for the members within the Bargaining Unit as defined by the *Industrial Relations Board* certification order (IRB-1-114) and as from time to time amended by mutual agreement.

3.02 Representation

Except as otherwise provided in this Agreement, the Employer shall not bargain with or enter into any agreement with a member or group of members of the Bargaining Unit other than those designated by the Union.

3.03 Access to Campus

Any duly designated representative or counsel of the Union shall have right of access to offices of the executive officers of the Union and to campus meeting places of the Union.

3.05 Checkoff Payments

The Employer shall deduct bi-weekly Union dues from the Employees designated in Article 1.03.

3.06 Deductions

Deductions shall be made from each bi-weekly payroll and shall be forwarded to the treasurer of the Union with a list of the Employees, from whose salaries the deductions have been made, and their ranks not later than the fifteenth day of the following month. The Union shall notify the Employer, at least one (1) month in advance, of any change in the amount of Union dues to be deducted by the Employer in accordance with Article 3.05.

3.07 Dues Receipt

3.07.1 The Employer shall record on the T-4 slip for each Employee, the amount of Union dues, if any, paid by the Employee in the previous calendar year.

3.07.2 The Union agrees to, and shall, indemnify and save harmless the Employer from any liability or action of any kind whatsoever that may arise out of deductions made from the pay of any Employee pursuant to Article 3.05 of this Agreement, except where an error has been made by the Employer.

3.08 Union Activities

The Employer shall allow the Union to hold meetings and to sponsor educational functions such as lectures, seminars, and workshops dealing with Union activities for its members and members of other faculty associations on the University premises.

3.09 Technical Information

3.09.1 The Employer shall provide to the Union, in a timely manner, the information it requires to prepare for collective bargaining and the proper administration of the collective agreement.

The Employer shall, not later than November 1, transmit to the Union a list of the Employees in the Bargaining Unit, indicating for each the following information: salary; amount of stipend paid as Department Chair (if any); any other stipend paid to the Employee by the Employer; rank; appointment status (limited, probationary or tenured); Department; date of initial appointment; dates and types of leave taken; and time in rank. Where a leave of absence without salary is authorized under this Agreement, the Employer shall indicate the benefits awarded under Article 10.05.11 and the status of the leave with regard to eligibility for tenure, promotion and sabbatical leave. At the same time the Employer shall transmit to each Employee on the list their personal data in the same format.

3.09.2 Not later than November 1, the Employer shall transmit to the Union the audited financial statements for the preceding fiscal year.

3.09.3 The Employer shall, not later than June 1, transmit to the Union a summary of the budget as approved by the Board of Governors for the current fiscal year.

3.09.4 Nothing in Article 3.09 precludes either Party from requesting technical information at any time. Such requests shall not be unreasonably denied. Responses to technical information requests shall be consistent with the provisions of the *Right to Information and Protection of Privacy Act*.

3.10 Committee Appointments

The Parties agree to circulate to all Employees, by September 30 of each year, a list of the committees related to University and Union governance, their membership, vacancies on these committees and procedures to fill them.

3.11 Joint Committee

3.11.1 Recognizing the mutual benefits to be derived from joint consultation, the Parties agree to form a Joint Committee for the administration of this Agreement within thirty (30) Days of the signing of this Agreement. The Parties may, by mutual consent, invite guests to attend meetings to advise on matters of mutual interest.
- 3.11.4 The Joint Committee shall meet by October 1 and by February 1 each year, with at least one additional meeting in each academic semester in the Teaching Year. The Union shall request the first meeting to initiate the process each Teaching Year, and a Union representative shall chair the first meeting of the Teaching Year. Meetings shall be held more frequently if requested by either Party or less frequently when both Parties agree.

The Joint Committee shall review matters of concern arising from the application of the Agreements between St. Thomas University and the Faculty Association of the University of St. Thomas (Part-time Bargaining Unit and Full-time Bargaining Unit), excluding any dispute that is, at that time, being resolved under the grievance and arbitration procedures set out in Article 15. This Committee shall attempt to foster better communication and more effective working relationships between the Parties and shall attempt to maintain a spirit of cooperation and respect between the Parties.

- 3.11.5 The Joint Committee shall have no power to modify the provisions of this Agreement, but may recommend to the Parties changes to the procedures for the application of this Agreement, or changes to the Agreement.

ARTICLE 4 PROFESSIONAL RESPONSIBILITIES

4.01 Principles

- 4.01.1 It is understood that Employees as professional academics have certain rights, duties and responsibilities which derive from their position as teachers and scholars and which reflect the rightful expectations of the University. Membership in the University community includes an obligation to treat all members of the community with respect.
- 4.01.2 Employees are responsible for disseminating knowledge through effective teaching, for conducting research, scholarship or other creative work, and for participating in the governance, activities and work of the University.

4.02 Responsibilities:

4.02.1 Teaching and Advising

The teaching and advising responsibilities of Employees include: teaching scheduled courses in a manner which normally reflects the description in the University calendar and the schedule shown in the approved time table; contributing to the creation, content, implementation, and delivery of academic courses and programs; developing and maintaining scholarly competence and effectiveness as teachers within their discipline; informing students at the beginning of each course about the methods of instruction and evaluation in their courses; accepting a reasonable share of responsibility for academic advising and consulting duties; providing reasonable access for students outside of scheduled classroom hours; and examining and otherwise evaluating student progress in courses and programs for which they are responsible.

4.02.2 Research, Scholarship, and Professional Activities

Scholarship includes the right and responsibility to conduct research, scholarship and critical, creative, professional or developmental work; the dissemination of such work through publication, demonstration, presentation, exhibition or performance, or by other means appropriate to the discipline.

4.02.3 Service

Consistent with their principal duties, all faculty members have the right and obligation to participate in University governance. Participation may include election or appointment to governing bodies and committees at the University, participation in the work of the Department and of the Union, and service to outside academic and professional organizations and professionally related service to the wider community. The Parties recognize the value of having a reasonably equitable distribution of service responsibilities among Full-time faculty members.

4.03 Employer Responsibilities

- 4.03.1 The Employer has the obligation to provide a safe and secure working environment. The Employer is responsible for maintaining an orderly and productive academic environment which fosters the dissemination of knowledge through effective teaching, which promotes research, scholarship and other creative work, and which encourages participation in University governance.
- 4.03.2 The Employer shall indemnify and save harmless each Employee from legal liability and all actions, causes of action, claims or demands whatsoever arising out of any occurrence occurring in the course of, or performed pursuant to, and within the scope of their employment, save and except in the case of gross negligence and/or wilful misconduct, provided timely notice is given to the Employer of any occurrence giving rise to or likely to give rise to a claim against the Employee, and legal representation is provided through or approved in advance by the Employer.

ARTICLE 5 ESTABLISHED POSITIONS

5.01 Established Positions

The assignment of established positions to Departments is to facilitate planning for the level and distribution of full-time faculty resources. Changes in the number of established positions will not affect the employment status of tenured and probationary Employees. The termination of the appointments of individual Employees, except those in accordance with Article 5.02.3 and Article 14, shall not result in a reduction in the number of established positions in a Department.

- 5.01.1 The President shall designate the number of established positions in each Department and discipline. An established position is a Full-time, tenured or tenure-track faculty position at the University which may be shared by reduced load appointments. The number of established positions is shown in Appendix A.
- 5.01.2 Proposals to change the number of established positions may be initiated by Departments or the Provost and Vice-President (Academic and Research).
- 5.01.3 A Department that wishes to change its number of established positions shall make a written submission to the Provost and Vice-President (Academic and Research) by February 15, setting out the reasons for its request. The Provost and Vice-President (Academic and Research) shall recommend to the President any changes to the number of established positions by March 15. Senate and the Departments concerned shall have the opportunity to respond, in writing, to the President's decision.

5.02 Vacant Positions

- 5.02.1 Established positions that become vacant through retirement, resignation, dismissal, death, leave of absence including sabbatical leave, or any other reason are subject to the procedures outlined in Articles 5.02.2 to 5.02.5.

5.03 Alternative Procedure

In special circumstances, when an academic appointment is required for which no established position has been designated because of insufficiency of time or for any other valid reason, the President shall authorize only a one-year Limited-Term Appointment except as provided for in Article 7.05.1.1 and shall notify the Union of the decisions and the reasons.

ARTICLE 6 **HIRING PROCEDURES FOR ACADEMIC APPOINTMENTS**

6.01 Principles

The Employer and the Union are committed to conducting academic searches in a professional manner. The Parties agree that the guiding objective is to attract and appoint the best qualified candidates while at the same time respecting our commitment to employment equity and No Discrimination (Article 2.05.1).

6.02 Criteria for Appointments

6.02.1 The following criteria shall be considered in making an assessment of candidates for an academic position:

- (a) academic credentials, including degrees, special studies and honours;
- (b) potential for excellence in undergraduate teaching at St. Thomas University;
- (c) scholarly work, including research, publications and work of creative or cultural significance relevant to the area of appointment.

6.03 Hiring Committee

6.03.1 Hiring committees shall be composed of a minimum of four (4) Full-time Employees. In cases where a Department does not have four (4) eligible members, additional committee members shall be selected by agreement between the Department and the Appropriate Dean. In serving on a departmental hiring committee, members are obliged to attend all interviews, teaching presentations and research discussions in order to ensure consistency and fairness in the hiring process.

6.03.2 It is the responsibility of hiring committee members to declare cases of conflict of interest. Where a member declares a conflict of interest or, where the hiring committee deems a conflict of interest to exist, the hiring committee shall reach a recommendation in the absence of that member.

6.04 Employment Equity

6.04.1 The Employer and the Union are committed to ensuring the full participation and advancement of groups that have been traditionally under-represented among faculty including women, aboriginal peoples, persons with disabilities and visible minorities. Internal and external advertisements shall state "St. Thomas University encourages applications from all qualified candidates and is committed to the principles of equity, diversity, and inclusion, including employment equity for the following under-represented groups identified in the *Canadian Employment Equity Act*: women, aboriginal persons, members of visible minority groups and persons with disabilities".

6.04.1.1 Where an appointment is in a Department or Programme in which one of the groups identified in Article 6.04.1 is under-represented, and the qualifications of two (2) or more candidates for appointment are demonstrably equal with respect to the particular appointment, and one (1) of those candidates has self-identified as being a member of a group that is under-represented in that Department or Programme then, all else being equal, the member of the under-represented group shall be offered the appointment.

6.04.2 There shall be an Employment Equity Committee consisting of five (5) persons, at least two (2) of whom are women, mutually appointed by the Employer and the Union for two-year staggered terms. The Parties shall attempt to make at least one (1) of the other appointments from the groups designated in 6.04.1.

6.04.3 The committee shall appoint one (1) of its members to participate, as a non-voting member, in the appointment process for all Full-time faculty positions.

6.05 Procedures

6.05.1 Before beginning its work, the hiring committee shall meet with the Appropriate Dean to review procedures to recruit and appoint the best qualified candidates, to ensure that Employment Equity provisions in the Agreement are followed, and to discuss the wording of the advertisement and the hiring criteria.

6.05.2 Advertisements shall be made in appropriate Canadian academic and professional journals and websites. Such advertisements shall be prepared by the Appropriate Dean, in consultation with the Chair of the hiring committee and the employment equity representative on the hiring committee, and placed by the Office of Human Resources. Copies of advertisements shall be sent by the Appropriate Dean to the Union as soon as the advertisements have been approved. Where appropriate, additional advertisements shall be placed in specialized publications identified by the representative of the Employment Equity Committee. Every advertisement shall state "St. Thomas University encourages applications from all qualified candidates and is committed to the principles of equity, diversity, and inclusion, including employment equity for the following under-represented groups identified in the *Canadian Employment Equity Act*: women, aboriginal persons, members of visible minority groups and persons with disabilities". In addition, every advertisement shall include the St. Thomas University Indigenous Land Acknowledgement as found on the University website.

6.05.3 Within five (5) Days after the closing date, the hiring committee shall forward to the Provost and Vice-President (Academic and Research) for approval a shortlist, in order of priority. Normally the shortlist will consist of three (3) applicants. The representative of the Employment Equity Committee may submit a separate report to the Provost and Vice-President (Academic and Research). The Provost and Vice-President (Academic and Research), in consultation with the hiring committee and upon reasonable grounds, may add the names of other candidates to the list and/or change the priority on the list after reviewing all the applications received.

- 6.05.4 Normally, Full-time members of the Department involved shall be advised of the names of the candidates on the short-list and shall be given an opportunity to meet the candidates and provide feedback to the hiring committee.
- 6.05.5 Within five (5) Days following the conclusion of the interviews, the Provost and Vice-President (Academic and Research) shall meet with the Chair of the hiring committee to discuss the candidates. The Chair of the hiring committee shall communicate the views of the Provost and Vice-President (Academic and Research) to the hiring committee prior to their discussion of the candidates.
- 6.05.6 The hiring committee shall evaluate the candidates in terms of the agreed upon criteria and develop a recommendation to be sent to the President by the Department Chair. The recommendation shall rank all shortlisted candidates and give reasons for the ranking of each. The recommendation shall include a proposal for a specific rank and Y-value for the top candidate, as well as any other special conditions for the appointment. In cases where it is proposed that a candidate receive credit for previous experience, it is the responsibility of the Department Chair to provide evidence that the experience claimed meets the criteria in Appendix B.
- 6.05.7 The criteria for appointments are set out in Article 6.02 and in the advertisement for the applicable appointment. No candidate shall be recommended for appointment who does not meet the criteria for the appointment in question.
- 6.05.8 If the representative of the Employment Equity Committee believes that the qualifications of the candidate recommended by the hiring committee are not substantially superior to those of a shortlisted candidate from the groups listed in Article 6.04.1, they shall submit a separate report to the President. This report shall be submitted concurrently with the recommendation and evidence submitted by the Department Chair pursuant to Article 6.05.6, with a copy of the report provided to the hiring committee. The Union shall also be provided with a copy of the report if a current Union member is a short-listed candidate. Subject to the University's obligations under the *Right to Information and Protection of Privacy Act*, this report may be redacted in order to protect the privacy of non-Union members, unless a short-listed candidate(s) has consented to the disclosure.
- 6.05.9 The decision on the appointment shall be made by the President. If the President has reservations about the hiring committee's recommendation or about a recommendation from the representative of the Employment Equity Committee, the President may refer the matter to the CAPT for its recommendation. If the President rejects a recommendation from either the hiring committee or the Employment Equity representative, they shall provide the hiring committee, the Employment Equity representative and the Union with a written statement of all the reasons on which the rejection was based. The decision of the President shall not be subject to the arbitration procedures set out in this Agreement unless the grievance is based on Article 2.04 (Academic Freedom) or on procedural grounds as set out in Article 2.06 (Full and Fair Consideration).
- 6.05.10 The President shall make the decision on acceptance, rejection or referral of the hiring committee's recommendation within a reasonable period of time. If the decision is to accept the recommendation of the hiring committee, the President

shall make an offer to the applicant and advise the Department Chair of this offer without delay. If the decision is to accept the recommendation of the Employment Equity representative, the President will ask the Department Chair to generate a proposal for that candidate.

6.05.11 The President shall consult with the Department Chair prior to making any offer to the applicant that differs from the recommendation of the hiring committee, except in the case where there is no Chair or Acting Chair. The President shall send a copy of the Letter of Appointment and a copy of the applicant's response to that offer to the Department Chair.

6.05.12 Any proposed appointment that confers tenure, or confers a rank above Assistant Professor shall be submitted to the CAPT for consideration and approval before the appointment is made.

6.06 Internal Appointment Procedures

Where a Department believes there may be one or more well-qualified candidates for a limited-term appointment already teaching full-time or part-time at the University, the Provost and Vice-President (Academic and Research) may authorize an internal competition for the position. The process will be subject to the provisions in Article 6.05 with the exception of the job advertisement which must be circulated on the faculty/staff email list.

6.07 Alternative Procedure

Whenever academic appointments cannot be made in accordance with Article 6.05 or 6.06 because of insufficiency of time or for any other reasonable cause the appointment shall be a Limited-Term Appointment only. The President shall notify the Union, in writing, of the appointment including the reasons for the use of the alternative procedure.

6.08 Employment Equity Report

The Provost and Vice-President (Academic and Research) shall prepare an annual profile of Full-time Employees by term of appointment and by rank, separately identifying those designated in Article 6.04.1, in a manner that is consistent with the University's protection of privacy obligations under the *Right to Information and Protection of Privacy Act*. The report shall be submitted to the Employment Equity Committee and the Union by August 15.

The Provost and Vice-President (Academic and Research), in consultation with Department Chairs, Programme Directors and Subject Coordinators, shall prepare an annual report outlining the training and information activities conducted during the year in relation to Employment Equity provisions in the Full-time Collective Agreement. This report shall be submitted to the President, the Employment Equity Committee and the Union by August 15.

6.09 Secondment

The Dean of Humanities may recommend to the Provost and Vice-President (Academic and Research) a secondment of an employee from another place of employment to the School of Education. Under no circumstances shall the secondee teach courses for which Part-time Bargaining Unit members are qualified, available and willing to teach. Moreover, under no circumstances shall the appointment of the secondee lead to the application of Article 5.11

(Lay-off and Recall Procedures – Regular Appointments) of the Part-time Collective Agreement by the Employer.

6.09.1 The recommendation of the Dean of Humanities, copied to the Union, shall include:

- (a) evidence that all procedures of Article 5 of the Part-time Collective Agreement, except Article 5.11, have been followed;
- (b) a detailed rationale regarding the individual's possible contribution to the School of Education;
- (c) a description of the individual's proposed activities, including the courses to be taught. The courses shall not exceed twelve (12) credit hours;
- (d) a suggested term for the appointment that shall not exceed two (2) years.

6.09.2 The Letter of Appointment for the secondee shall be copied to the Union.

ARTICLE 7 APPOINTMENTS

The appointment of every Employee shall be designated and distinguished by the following terms and conditions of appointment:

7.01 Effective Date of Appointment

The effective date of appointment shall normally be July 1.

7.02 Term of Appointment

Appointments shall confer one of three possible terms:

7.02.1 Tenured, which is a permanent appointment up to the age of retirement. An Employee holding a tenured appointment is subject to dismissal by the Employer only for just cause in accordance with the provisions and procedures of Articles 13 and 14 of this Agreement.

7.02.2 Probationary, which is an initial appointment for a two-year term. An Employee holding a probationary appointment shall be considered for an immediately subsequent three (3) year probationary appointment, or for an immediately subsequent tenured appointment.

7.02.3 Limited, which is an appointment from one (1) to three (3) years except as provided for in Article 7.05.1.1. This appointment does not imply, although it does not exclude, the possibility that the Employee will be considered for a subsequent appointment of any term.

7.02.3.1 A Limited-Term Appointment may only be made for visiting professors; replacements for sabbatical leave or other leaves known at the time of posting to total at least ten (10) months' duration; to staff positions for such other reasons as may, from time to time, be agreed upon by the Employer and the Union; or to promote the consolidation of some part-time positions. Departments may submit a written request for a Limited-Term Appointment to the Provost and Vice-President (Academic and Research) by October 15. The factors that the Provost and Vice-President (Academic and Research) shall use to evaluate a Department's request for a Limited-Term Appointment include, but are not limited to, trends in enrolment in the Department, the number of students in a Department's courses (weighted enrolment), the ratio of students to full-time faculty, the percentage of courses in a Department taught by part-time faculty, and the number of minors and majors. The Department's request for a Limited-Term Appointment shall not be unreasonably denied if the request meets the requirements of this Article. Reasonable grounds for refusing a request for a Limited-Term Appointment include, but are not limited to, budget constraints and enrolment trends at the University level. Such grounds shall be set out in writing to the Chair of the Department making the request.

7.02.3.1.1 When the Employer does not replace sabbatical or other leaves with a Limited-Term Appointment as requested by a Department, the Provost and Vice-President (Academic and Research) shall issue a written report explaining the reasons for the non-replacement. The report shall be issued within fifteen (15) Days of the denial of the Department's request. The report shall be transmitted to the appropriate Department and the Union.

7.02.3.2 In exceptional cases, where the qualifications of an appointee do not meet the requirements established in Appendix C, an appointment of limited term may be made; such appointments shall be made only with the approval of the Department concerned.

7.02.3.3 A Limited-Term Appointment may also be made under the appointment procedure of Article 6.06 or Article 6.07, or in accordance with Article 9.04.3.

7.02.3.4 The total number of successive years of Limited-Term Appointments shall not exceed four (4) except with the written agreement of the Employer and the Union. Limited-Term Appointments may be renewed upon the recommendation of the Department with supporting evidence of satisfactory performance and following the procedures as outlined in Article 6.06.

7.02.3.4.1 Any Employee who has been in a Limited-Term Appointment for four (4) years as of the signing of this Agreement may be converted to a Probationary Appointment, where there is a vacancy in the Department.

7.03 Rank

Rank shall be designated by the Employer as one of:

- a) Lecturer
- b) Assistant Professor
- c) Associate Professor
- d) Professor

7.04 Letter of Appointment

7.04.1 The President shall provide each Employee with a Letter of Appointment, designating the terms and conditions of that appointment, including salary, and shall provide the Union with a copy thereof.

- 7.04.2 The Letter of Appointment shall stipulate that the appointment is subject to this Agreement and shall include the Employee's remuneration; rank; the Y-value calculation; dates of employment and any special conditions which apply to the Employee including credit toward sabbatical leave.
- 7.04.3 A copy of the Letter of Appointment shall be placed in the Employee's Academic File and Personnel File which the Employer shall maintain.

7.05 Appointment Period

- 7.05.1 An Employee's appointment shall be on a yearly basis, running concurrently with the Academic Year. Although they shall not be obliged to teach without their consent outside the Teaching Year, any Employee may voluntarily accept a proposal made by the University to teach outside the Teaching Year or in the extension programme under terms and conditions, including appropriate compensation, offered by the Employer and agreed to by the Union. Compensation for such teaching shall be in excess of the Employee's normal salary and shall not be subject to the ceilings outlined in Article 18. It is understood that the Employee, as a professional academic, shall undertake research, study or professional activities whenever they are not engaged in teaching or other administrative duties, except for a vacation period.

- 7.05.1.1 Notwithstanding Articles 7.02.3 and 7.05.1, a Limited-Term Appointment shall be no less than ten (10) months. The term of the current Limited-Term Appointment shall be extended to the start of the new appointment in the event that the University requests that:

- (i) the Limited-Term Appointment be extended into another Teaching Year, or;
- (ii) the incumbent be assigned a new Limited-Term Appointment for the next Teaching Year under Article 6.06 (Internal Appointment Procedures), or;
- (iii) the incumbent secures a probationary appointment.

The teaching load shall be a maximum of eighteen (18) credit hours. The length of the contract and the course load shall be specified in the employment contract.

- 7.05.1.1.1 Notwithstanding Article 7.05.1.1, a Limited-Term Appointment for those Employees who held Limited-Term Appointments during the 2007-2008 Academic Year shall be no less than twelve (12) months. The teaching load for a twelve (12) month Limited-Term Appointment shall be a maximum of eighteen (18) credit hours. The length of the contract and the course load shall be specified in the employment contract.

7.06 Entry and Re-entry of Administrators into the Bargaining Unit

- 7.06.1 A member of the Bargaining Unit who is appointed to the Board of Governors or who

assumes administrative responsibilities and becomes excluded from the unit shall be an Employee and member of the Bargaining Unit upon completion of the said appointment with all rights and privileges maintained and accrued as if that person had not ceased to be a member of the Bargaining Unit.

- 7.06.2 Upon entering or re-entering the Bargaining Unit, Employees who have held academic administrative positions shall receive a salary and benefits in accordance with this Agreement, it being understood that administrative stipends shall not be maintained.
- 7.06.3 In the event that a University administrator is appointed to an academic position at the time of appointment as an administrator, the academic appointment process shall include consultation with the Department and the CAPT.
- 7.06.4 University administrators who held, or were appointed to, an academic position at the time of appointment as an administrator shall be entitled to enter or re-enter the Bargaining Unit with all the rights, privileges and accumulated credits as if time served in the excluded position had been served in the Bargaining Unit. No Employee holding an established position shall be displaced from the Department by the entry or re-entry of former academic administrators.
- 7.06.5 Should a University administrator be appointed without tenure or seek promotion in academic rank, the process of tenure or promotion shall be only in accordance with the provisions of this Agreement.
- 7.06.6 If an administrator is terminated from their administrative position and holds an academic position at the time of their termination, the termination from the administrative position is not termination from the academic position. Any termination from an academic position is procedurally distinct, and shall follow the relevant provisions of the Collective Agreement.
- 7.06.7 An administrator who does not hold an academic position is eligible to apply for an academic position.

7.07 Transfer of an Employee

- 7.07.1 An Employee may transfer to a vacant established position in another Department or Programme appropriate to the Employee's discipline. Either the Employee or the Employer may request the transfer. The transfer is subject to the approval of the Provost and Vice-President (Academic and Research). The transfer shall only occur with the agreement of the Employee. Such agreement shall not be unreasonably withheld. The Union shall have the right to participate in all discussions about the transfer.
- 7.07.2 The Employee's new Department or Programme shall be determined by the Provost and Vice-President (Academic and Research) in consultation with the Employee, the Appropriate Dean, the applicable Department Chairs or Programme Directors, and the Union. Once a new Department or Programme is identified, the Employee shall receive a new Letter of Appointment with a copy to the Union.

- 7.07.3 The new Letter of Appointment shall stipulate that the appointment is subject to this Agreement and that all existing entitlements, including, but not limited to, rank, salary, benefits, and leaves shall be transferred with the Employee.

ARTICLE 8 RENEWAL, PROMOTION, AND TENURE

8.01 Committee on Appointments, Promotion, and Tenure (CAPT)

8.01.1 The Committee on Appointments, Promotion, and Tenure (CAPT) is responsible for making recommendations to the President on the renewal of probationary appointments, promotions in rank, tenured appointments and, at the President's request, on appointments.

8.01.2 The CAPT is composed of six (6) faculty members as follows: three (3) tenured Employees selected by the faculty, one (1) Employee of either Lecturer or Assistant Professor rank elected by the faculty and two (2) Employees appointed by the President subsequent to the election of the faculty members mentioned above. The CAPT is also composed of the Dean of Humanities and the Dean of Social Sciences, who shall serve as Chair when the candidate is from a Department, Programme, or Subject Area within their responsibility. The Dean of Humanities and the Dean of Social Sciences, when acting as the Chair, shall vote only in the event of a tie vote, in which case they shall cast the deciding vote (Article 9.03.5.6). The Dean who is not chairing shall be an ex-officio member of the committee and shall not participate in discussions or voting on the candidate's file. Of the Employees on the committee no more than one (1) may be from the same Department. Terms are for three (3) years, in balanced staggered terms. Employees shall sit on the committee for a maximum of two (2) successive terms. No Department Chairs shall sit on the committee. The committee shall elect its secretary annually from among its members. The quorum of the committee shall be five (5); nevertheless, the committee shall endeavour to hold deliberations only when all its members are present.

8.01.2.1 In cases where the Dean who is acting as Chair is in a conflict of interest with the candidate, the Provost and Vice-President (Academic and Research) shall act as Chair of CAPT.

8.01.3 Elections to the CAPT shall be conducted by the Provost and Vice-President (Academic and Research) with all Employees holding full-time appointments eligible to vote. Election shall be by absolute majority of ballots cast. Terms begin on July 1 and terminate on June 30.

8.01.4 Where the Employees fail to elect members to the CAPT as outlined, the President of the University and the President of the Union shall consult and agree on a list of potential appointees. The President of the University shall then appoint from this list as many members as necessary to fill these vacancies. These appointments shall be for one year only.

8.01.5 The CAPT is primarily a committee of review, and its duties include ensuring that recommendations to the President are warranted with respect to existing criteria and standards and in accordance with Articles 8.02 and 8.03. The CAPT does not formulate academic or administrative policy.

8.01.6 The deliberations of the CAPT shall be strictly confidential.

8.02 Criteria for Renewal, Promotion, and Tenure

8.02.1 The criteria which shall be considered in making an assessment of an Employee for renewal of a probationary appointment, promotion in rank, or for tenured appointment are the following:

- (a) quality and effectiveness as a teacher;
- (b) academic credentials, including degrees, special studies and honours;
- (c) scholarly work, including research, publications and work of creative or cultural significance;
- (d) other contributions to the University, the professional field (where relevant), the Union, and the community;
- (e) the Parties agree that greater achievement, as measured by the foregoing criteria, may be required for promotion to a higher rank than is required for promotion to a lower rank;
- (f) other criteria shall not include reduction in the size of a Department or discipline.

8.03 Consistency of Recommendations

It is the responsibility of the CAPT to ensure that its recommendations on renewal, promotion, and tenure are made with consistency of reasons among Employees and with consistency of reasons from year to year.

8.03.1 The Parties recognize the standards contained in Appendix E.

8.04 Recommendations and Decisions

8.04.1 Recommendations and decisions on renewal, promotion, and tenure shall be of the following types only:

- (a) Promotion: that promotion be granted or that promotion be denied;
- (b) Renewal: that renewal of appointment be granted or that renewal of appointment be denied;
- (c) Tenure: that tenure be granted, or that tenure be denied, or that a decision on tenure be deferred. No tenure decision shall be deferred for more than two years. If the Departmental review committee or the CAPT is tending toward a negative decision, the candidate shall be invited to request a deferral. A deferral of one year shall be granted only where the candidate provides credible evidence that the standards can be met within this period. A second year of deferral shall be granted only where the candidate provides both credible evidence that the standards can be met within the period of the requested deferral and credible evidence of extenuating circumstances sufficiently substantial to justify deferral. A letter from an appropriate professional authority attesting to these extenuating circumstances and their impact

on the candidate's capacity to carry out their teaching, research, and service responsibilities, shall be a sufficient form of evidence.

8.04.2 Any letters from professional authorities submitted as a part of a request for deferral shall be placed in the Employee's Academic File in a sealed envelope marked "Restricted: For use in deferral of tenure cases only".

8.04.3 In the event that new standards are developed in a process instituted by the President, and if those standards are incorporated into this Agreement by the Parties,

(a) all Employees who were awarded probationary appointments prior to the introduction of the new standards shall have the option to meet the standards that prevailed at the time of appointment or to meet the improved standards on the condition that they be entitled to consideration for an additional deferral of two (2) years of the decision on tenure, over and above the maximum period of deferral provided for in Article 8.04.1(c).

(b) tenured Employees applying for promotion to the rank of Associate Professor or Professor shall have the option to meet previous standards for a period of four (4) years, or to meet the improved standards.

8.05 Consideration for Tenure

Employees holding probationary appointments at the rank of Assistant Professor or higher rank, other than those on leave of absence without salary, become eligible for tenure after four (4) years of employment as a Full-time faculty member at St. Thomas University. Each such Employee shall automatically be considered for tenure at the beginning of their fifth year in the rank of Assistant Professor or higher rank. Employees who feel they have met all of the requirements for tenure may make an application for tenure at the beginning of their fourth year in the rank of Assistant Professor or higher rank. Tenure granted in the fourth year will become effective on July 1 of the following Academic Year.

8.06 Years at Other Universities

Years of full-time employment at other universities at the rank of Assistant Professor or higher rank, at the request of the Employee and with the agreement of the Departmental committee (as established in Article 9.02.3), shall be taken into account in counting the years for eligibility for tenure, provided the Employee has served at least thirty-six (36) months at St. Thomas University.

8.07 Periods of Leave

8.07.1 Time spent on sabbatical leave shall not, unless otherwise requested by the Employee concerned, count as time in computing eligibility for tenure.

8.07.2 Time spent on leave of absence without salary may, at the discretion of the Employer, be counted as contributing towards eligibility for tenure.

8.08 Academic File

- 8.08.1 The Academic File shall contain only the Letter of Appointment, documents related to renewal, academic leave, promotion, and/or tenure, and documents specifically authorized for inclusion under this Agreement. Academic leave is limited to sabbatical leave, and leave without pay for academic reasons. Documents pertaining to other leaves shall be contained in the Personnel File. Only the Employee or duly authorized representatives of the Employer may add materials to the Academic File. The Academic File shall be stored in the office of the Provost and Vice-President (Academic and Research), who shall be responsible for ensuring that only authorized documentation is placed on the file.
- 8.08.1.1 The Academic File shall also contain annual reports and the Provost and Vice-President (Academic and Research)'s performance reviews based on the annual reports. The Academic File shall also contain final records of discipline when the discipline is pertinent to the relevant criteria for renewal, promotion and/or tenure (Article 8.02); any other records of discipline shall be placed in the Personnel File. These documents shall remain strictly confidential to the Employer and the Employee, subject to Article 15.01.3.
- 8.08.2 When applying for renewal, promotion, and/or tenure, an Employee shall, on or before the date specified in Article 9.01 (Application), submit an application, including, in accordance with Appendix E (Statement of Standards), evidence of academic credentials, a curriculum vitae, teaching portfolio, evidence of scholarly contributions, and other supporting documentation. An Employee applying for both tenure and promotion to Associate Professor does not need a separate application for each.

- 9.04.3 If the President's decision on a case of tenure is that it be denied, the Employee shall be granted a one-year Limited-Term Appointment.
- 9.04.3.1 The Parties agree that the intent of Article 9.04.3 is to terminate the employment of the Employee who is denied tenure on the expiry date of the one-year Limited-Term Appointment granted thereunder. An Employee whose employment is thus terminated is not excluded from applying for a subsequent limited-term or probationary appointment. Such applications and appointments are subject to all relevant clauses of Articles 5 and 6 of this Agreement.
- 9.04.4 If the President's decision on a case of tenure is that it be deferred, an extension of the existing probationary appointment shall, if necessary, be granted to the Employee.

ARTICLE 10 LEAVE OF ABSENCE

The Employer and the Union recognize the importance of planning for staffing requirements and providing continuity for students. Accordingly, the Employer may reasonably expect the Employee to schedule the leave or some portion of the leave so as to minimize the impact of leave on the Teaching Year.

10.01 Short-term Sick Leave

- 10.01.1 Short-term sick leave is intended to provide income protection for illnesses or injuries that render Employees unable to carry out their responsibilities to the Employer. For any one such absence of fewer than ten (10) consecutive Days, no medical documentation is required, however, the Employee is required to notify the Department Chair who shall make the appropriate arrangements to ensure the Employee's classes continue as scheduled. For any single absence lasting ten (10) or more consecutive Days, or for multiple absences totalling ten (10) Days in one academic semester, the Employer may require medical documentation.
- 10.01.2 No Employee shall be entitled in any Academic Year to more than six (6) months short-term sick leave.
- 10.01.3 Full salary and benefits shall be fully maintained during sick leave. Time spent on sick leave shall count as time in service in computing sabbatical leave credit and eligibility for tenure and promotion. An Employee on sick leave shall have their salary for the period subsequent to the leave computed as though they had not had leave.
- 10.01.4 In order that the Employer may more readily arrange to have the academic duties of an Employee on sick leave carried out; the provisions of Article 17.04.3 shall be waived throughout the duration of the sick leave and only to the extent that they apply to the discharge of the academic duties affected by the Employee's sick leave.
- 10.01.5 Procedures
 - 10.01.5.1 The Employee shall inform the Department Chair as soon as possible of their illness in order that adequate alternative arrangements can be made to fulfill the Employee's duties.
 - 10.01.5.2 The Department Chair shall advise the Appropriate Dean immediately of any absence due to illness or injury lasting ten (10) consecutive Days or more in one Academic Year.
 - 10.01.5.3 The Employee shall provide the Department of Human Resources medical evidence upon request verifying the illness and anticipated return to work date. The Employee shall keep the Employer informed of the latest medical opinion as to the likely duration of any extended or frequent illness.

- 10.01.5.4 In cases of extended or frequent uses of sick leave the Employer may require a second medical opinion from a legally qualified medical practitioner approved by both the Employee and the Employer regarding the Employee's condition in addition to the medical evidence provided by the Employee. The University shall reimburse the Employee for any fees and charges paid in obtaining the second opinion.
- 10.01.5.5 Prior to a return to work, the Employer may require the Employee on sick leave to provide the Appropriate Dean with medical evidence from a legally qualified medical practitioner of his/her ability to resume full responsibilities including full-time teaching responsibilities.
- 10.01.5.6 By mutual agreement between the Employer, an Employee on sick leave and the legally qualified medical practitioner, the Employee may initially return to work on a part-time basis. During such phased-in return to work, the Employee shall receive full salary if sick leave entitlements under Article 10.01.2 have not been exhausted. The Employee shall inform the Union of any such agreement. If a phased-in return to work is feasible after an Employee has completed the six (6) month period of sick leave, arrangements may be made under Article 17.02.4 (Variation in Standard Teaching Load) and/or 17.06 (Reduced Load) with the agreement of the Employer, Employee, and the Union.

10.02 Long Term Disability

- 10.02.1 Salary continuance for prolonged periods of sick leave is provided under a Long Term Disability Insurance plan for eligible members. An Employee, following six (6) consecutive months of short-term sick leave, shall be eligible for long-term disability leave in accordance with the Employer group insurance plan.
- 10.02.2 Time spent on long-term disability leave shall not count as time in service in computing sabbatical leave credit or eligibility for promotion and tenure.
- 10.02.3 An Employee who is in receipt of long term disability benefits, or permanently disabled from their employment with the Employer, shall continue to be eligible for the following:
 - (a) Pension contributions as set out in Article 19.01; and
 - (b) Participation in the University group insurance plan as set out in Article 19.02.

The Employer shall pay both the employer and employee pension contributions and the group insurance plan benefit premiums.

- 10.02.4 If an Employee is in receipt of long term disability benefits, is absent from work for thirty-six (36) months, and is deemed by the Long Term Disability Insurance Plan provider as permanently disabled from their employment with the Employer, the Employer shall terminate employment of the Employee.

Termination of employment under this Article:

- (a) Does not affect the former Employee's receipt of pre-termination benefits under the Long Term Disability Insurance plan.
- (b) Does not affect the eligibility of the former Employee to participate in the University's health, dental, travel, life, and Accidental Death and Dismemberment (AD&D) Group Insurance Plans on the condition that:
 - (i) the former Employee pays all employee and employer premiums,
 - (ii) the former Employee continues to receive benefits under the Long Term Disability Insurance Plan, and
 - (iii) the insurance provider allows the former Employee to participate in the insurance coverage.
- (c) Ceases all other entitlements and benefits contained in this Collective Agreement, including but not limited to, pension contributions pursuant to Article 19.01.

10.02.5 The provisions of the long-term insurance contract specific to a continuous period of disability shall apply.

10.03 Compassionate Leave

It is recognized that certain emergencies may arise in any Employee's personal or family life which may require absence from the University for a limited period of time. Before departure, the Employee shall notify the Appropriate Dean who may authorize leave for an appropriate period. Such leave shall not be withheld unreasonably or in a discriminatory manner. The Employee shall, in cooperation with the Department Chair, make substitute arrangements for teaching and other responsibilities during the absence.

10.04 Sabbatical Leave

10.04.1 The Employer recognizes the importance and benefit of sabbatical leave to Employees and to the University. Such leaves provide Employees with the opportunity for intellectual and professional renewal and enhancement through study, research, scholarship, creative work and other activities, and such leaves also enhance the ability of Employees to contribute to the University on their return. Employees are eligible for twelve (12) month sabbatical leave on earning six (6) credits in accordance with Article 10.04.4. Employees on probationary and tenured appointments are also eligible for six-month sabbatical leave on earning three (3) credits in accordance with Article 10.04.4. Subject to approval by the President, the University may give credit toward sabbatical leave based on years of service at other universities. Employees accepting sabbatical leave recognize their obligation to be available for continued service to the University for at least one year immediately following the period of leave. This obligation may be waived by the Employer when substantial professional advancement would be severely impeded or in the case of personal hardship.

10.04.2 Sabbatical leave is not automatically granted to every eligible Employee. The Employee shall make application in writing to the Department Chair and the

Appropriate Dean no later than thirteen (13) months (i.e., May 31) preceding the Academic Year during which sabbatical leave is requested. Applications made after this date may be considered in exceptional circumstances. In an application the Employee shall include the following: the purpose of the proposed sabbatical leave; the activities to be undertaken, including a work plan; anticipated benefits for teaching, professional development and/or scholarship; and if relevant, plans for dissemination of results; a copy of the written report submitted in accordance with Article 10.04.7 for the preceding sabbatical leave. The application shall be in sufficient detail to allow an evaluation of the request. The Department shall provide an evaluation of each sabbatical leave request in light of only the materials submitted by the Employee and the purposes of sabbatical leave as established in Article 10.04.1 and examine the implications of such leave for academic programs and teaching allocations, and recommend in writing to the Appropriate Dean, with a copy to the applicant, on or before June 30.

- 10.04.2.1 At the request of the Appropriate Dean, the applicant, the Department Chair and the Dean shall meet to discuss the application and/or the Department's recommendation in any particular case.
- 10.04.2.2 The Deans shall each make their recommendations to the President, with a copy to the Employee, on or before August 31.
- 10.04.3 The President shall communicate the University's decision to the Employee by September 30. If the decision is negative, the President shall include a statement of all the reasons on which the decision was based.
 - 10.04.3.1 An Employee who wishes to reschedule sabbatical leave after it has been granted shall forward a written request, with reasons for rescheduling, to the Appropriate Dean at the earliest possible date. An Employee may be asked to reschedule a sabbatical leave after it has been granted if the Employee has had another leave immediately prior to the start of the sabbatical leave.
 - 10.04.3.2 Where an Employee on a limited term appointment is granted sabbatical leave, the President shall, if necessary, extend the period of the appointment to cover the period of sabbatical leave, notwithstanding Articles 4 and 5 of this Agreement.
 - 10.04.3.3 An Employee may defer a sabbatical leave request. Up to one year of deferment shall be counted as service toward an application for a subsequent leave.
 - 10.04.3.4 The University may request that a sabbatical leave request be deferred for up to one year in the event that the Employee's services are required by the University during the period for which leave is requested. The period of deferment shall be counted as service toward an application for a subsequent leave.

10.04.4 Credit Toward Sabbatical Leave

- 10.04.4.1 Each year of full-time service not on leave shall count as one credit toward sabbatical leave. Each half year of full-time service not on leave shall count as one-half credit toward sabbatical leave.
- 10.04.4.2 Each period of leave shall count as credit toward sabbatical leave in accordance with Articles 10.01 and 10.07, or if approved by the Employer pursuant to Article 10.05.

10.04.5 Sabbatical Remuneration

- 10.04.5.1 Normal sabbatical remuneration shall be equal to 85% of the Employee's normal salary. An Employee with six or more sabbatical leave credits may apply for a six-month sabbatical leave with remuneration equal to 100% of the Employee's normal salary. An Employee with 11 or more sabbatical leave credits may apply for a one year sabbatical with remuneration equal to 100% of the Employee's normal salary. An Employee taking their first sabbatical over a twelve-month period shall receive remuneration equal to 100% of the Employee's normal salary. An Employee taking their first two (2) consecutive sabbaticals over two (2) six-month periods shall receive remuneration equal to 100% of the Employee's normal salary for both six-month sabbaticals. Under no circumstances will an Employee receive remuneration during sabbatical leave equal to 100% of the Employee's normal salary for more than a total of twelve (12) months.
 - 10.04.5.2 Those on sabbatical leave shall, subject to federal regulations, be entitled to receive a portion of their sabbatical salary in the form of a research grant provided that they can demonstrate to the senate research committee that such funds are required for the research to be carried out. The tax status of expenditures under the research grant is the sole responsibility of the Employee.
 - 10.04.5.3 An Employee on sabbatical leave shall continue to receive all benefits and shall have their salary for the period subsequent to leave computed as though they had not had leave.
 - 10.04.5.4 Twelve-month sabbatical leave shall extend for a period of one (1) Academic Year; six-month sabbatical leave shall extend for a period of one half year, either from July 1 to December 31, or from January 1 to June 30, inclusive. By agreement between the sabbaticant, the Department and the President the dates on which twelve-month sabbatical leave and six-month sabbatical leave begin and end may be altered.
- 10.04.6 In exceptional circumstances and for sound academic reasons, a six-month sabbatical leave may be spread over a twelve-month period by agreement between the sabbaticant, the Department and the President. The sabbaticant will

assume a teaching load normally required for this period and may be required to share an office.

- 10.04.7 A faculty member returning from sabbatical leave shall submit to the Appropriate Dean, within three (3) months of their return, a written report which references the study plan outlined in 10.04.2.
- 10.04.8 Employees taking sabbatical leave are encouraged to seek research grants and fellowships to fund activities while on sabbatical. Employees must comply with Article 17.07 in accepting any employment outside the University while on sabbatical.

10.05 Leave of Absence Without Salary

- 10.05.1 Leave of absence without salary may be granted to an Employee at any time at the discretion of the President in accordance with the procedures outlined in Articles 10.05.6, 10.05.7 and 10.05.8. Leave of absence without salary may be sought for further studies, public service, pre-school age child care, care of an aging parent, or for other reasons which the Employee shall specify.
- 10.05.2 An applicant may identify a leave of absence without salary as being for full-time research, for full-time teaching at a degree granting institution or for a combination of research and teaching. If granted, such leave shall count towards eligibility for sabbatical leave, subject to the Employee demonstrating that the leave was in fact used for the purpose intended. Such leave shall normally count as time in service in computing eligibility for tenure and promotion. The Employee's salary for the year subsequent to leave shall be computed as though they had not had leave.
- 10.05.3 Up to one (1) year of a leave of absence to obtain a postgraduate degree, upon successful completion of the degree, shall normally count for credit toward sabbatical leave, as time in service in computing eligibility for tenure and promotion, and for a career progress increment pursuant to Article 18.02.3.
- 10.05.4 Leave of absence without salary for public service or for further study involving retraining may count toward eligibility for sabbatical leave if approved by the Employer at the time the leave is granted. Where such leave does count as credit toward sabbatical leave, it shall also count as time in service in computing eligibility for tenure and promotion, and the Employee's salary for the year subsequent to the leave shall be computed as though they had not had leave.
- 10.05.5 Not more than one (1) year leave of absence without salary granted under Article 10.05.2 or 10.05.4 in a seven-year period may count toward eligibility for sabbatical leave. Additional leaves of absence without salary taken in the same period shall not count toward a subsequent sabbatical leave.
- 10.05.6 Employees seeking leave of absence without salary shall apply not later than September 1 prior to the Academic Year in which leave is planned.
- 10.05.7 For leaves for which sabbatical leave credit, credit for eligibility for tenure and/or promotion, career progress increment, and/or fringe benefits are sought, the

Employee shall apply for leave of absence without salary to the Department Chair and the Appropriate Dean. In the application the Employee shall include a statement of the purpose of the leave, the starting date and duration of the leave and the terms and conditions requested (with regard to sabbatical leave credit, eligibility for tenure and promotion, career progress increment, and fringe benefits). The Appropriate Dean, after consulting with the Department Chair, shall make a recommendation to the President by October 1.

- 10.05.8 For leaves of absence for which none of the above-mentioned credits and/or benefits are sought, the Employee shall apply to the President at the earliest possible time. In the application the Employee shall include a statement of the purpose of the leave, the starting date and the duration of the leave and a declaration that no credits or benefits are being sought. The President shall inform the Employee's Department of the request for leave and shall ask the Department for an evaluation of the impact of this leave on the Department's programmes. The Department shall provide an evaluation to the President as soon as possible.
- 10.05.9 The President shall communicate the decision to the Employee by October 15. If the decision is positive, the President shall include a statement of all the terms and conditions of the leave. The decision of the President on leave of absence without salary shall not be subject to the grievance procedures set out in this Agreement.
- 10.05.10 In appropriate circumstances, the President may, at their discretion, substitute later dates for those given in Articles 10.05.6 and 10.05.9.
- 10.05.11 Benefits
- 10.05.11.1 In cases where a leave of absence without salary is approved which counts as credit towards sabbatical leave, the Employer shall normally maintain the benefit plans identified in Article 19 as if the Employee were not on leave. However, in cases where the Employee is working full time for another Employer during the period of leave, the Employer shall not normally maintain Employer contributions to benefit plans.
- 10.05.11.2 In cases where a leave of absence without salary is approved, which does not count as credit toward sabbatical leave, the President may, at their discretion, agree to maintain the benefit plans identified in Article 19 as if the Employee were not on leave.
- 10.05.11.3 Any agreement by the Employer to maintain benefit plans as if the Employee were not on leave is contingent on the Employee's continuing to make the required contributions to these plans.
- 10.05.11.4 In cases where the Employer does not agree to maintain benefit plans as if the Employee were not on leave, the Employee may, at their discretion, continue to participate in any or all of these plans

by making the required Employer contributions in addition to the required Employee contributions.

10.06 Deferred Salary Arrangement

- 10.06.1 In accordance with Canada Revenue Agency regulations an Employee may finance a leave of absence by taking a reduction in their regular salary over a given period prior to the leave (e.g., by taking 75% of salary for three years, an Employee would receive a payment of 75% of the normal salary during an approved leave of absence during the fourth year). An Employee who wishes to self fund a leave must initiate the procedures contained in Article 10.05.1 and receive approval for the leave prior to the period of reduced salary.
- 10.06.2 Benefits for Employees on self-funded leave shall be maintained in accordance with Article 10.05.11.

10.07 Maternity, Parental and Adoption Leave and Benefits

- 10.07.1.1 Subject to Article 10.07.1.2, the Employee's salary shall be maintained at 100% of her regular weekly earnings for the period of her leave by the Employer paying the difference between the EI maternity benefits and 100% of the Employee's regular weekly earnings.

Contributions to the pension and insurance benefit plans shall continue on the part of the Employee and the Employer on the basis of 100% of salary. In any week, the total combined amount of Employer maternity benefits and EI maternity benefits and other earnings received by the Employee shall not exceed 100% of the Employee's regular weekly earnings. The Employee will be asked to submit her benefit stub to verify receipt of EI benefits and other earnings.

10.07.2 Parental and Adoption Leave and Benefits

Upon request by an Employee, a) who is the biological parent of a newborn or unborn child, or b) who is adopting or has adopted a child, the University shall grant parental leave consistent with the *Employment Standards Act* of New Brunswick. Subject to the *Act*, such leave may be taken wholly by one, or shared

by two, employed parent(s). Where an Employee takes parental leave in addition to maternity leave, the Employee must commence the parental leave immediately on the expiry of maternity leave, unless the University and the Employee agree otherwise. Application for parental leave will be included with the application to take maternity leave in Article 10.07.1, except where substantially changed circumstances could not have reasonably been foreseen. The Employee will advise the Appropriate Dean in writing of the expected date of delivery or adoption; and of their intention to take parental leave, including the anticipated commencement date and duration of such leave, as early as possible.

10.07.2.1 Subject to Article 10.07.2.2, the Employee's salary shall be maintained at 100% of regular weekly earnings for fourteen (14) weeks of parental leave by the Employer paying the difference between the EI parental benefits and 100% of the Employee's regular weekly earnings.

10.07.2.2 The Employee is required to apply for EI parental benefits and must be eligible for EI parental benefits for the Employer to be required to maintain the Employee's regular weekly earnings at 100% under Article 10.07.2.1. Contributions to the pension and insurance benefit plans shall continue on the part of the Employee and the Employer on the basis of 100% of salary. In any week, the total combined amount of Employer parental benefits and EI parental benefits and other earnings received by the Employee shall not exceed 100% of the Employee's regular weekly earnings. The Employee shall be asked to submit their benefit stub to verify receipt of EI benefits and other earnings.

10.07.3 Adoption Leave and Benefits

10.07.3.1 Upon request by an Employee, the University shall grant adoption leave for a period of up to seventeen (17) weeks (including time taken as parental leave) at the time of placement of one or more children for the purposes of adoption pursuant to the laws governing adoption for the Province of New Brunswick.

10.07.3.2 It is recognized that there may be very little notice provided by the agency. However, it is expected that the Employee will provide as much notice to the Appropriate Dean as is possible as to the length of the leave and the date that the leave will begin.

10.07.3.3 Subject to the requirements set out in this Article, the Employee's salary shall be maintained at 100% of regular weekly earnings for the period of the leave. This shall be done by the Employer paying the difference between the EI parental benefits and 100% of the Employee's regular weekly earnings. The Employee is required to apply for EI Parental Benefits and must be eligible for EI parental benefits for the Employer to be required to maintain 100% of the Employee's regular weekly earnings under this Article. In any week, the total combined amount of Employer

adoption benefits and EI parental benefits and other earnings received by the Employee shall not exceed 100% of the Employee's regular weekly earnings. ARTICLE 13 DISCIPLINE

13.01 Disciplinary action shall be taken only for just and sufficient cause. Only the President and the Provost and Vice-President (Academic and Research) may take disciplinary action with respect to an Employee. Penalties shall be just and appropriate for the offence and based on the principle of progressive discipline.

13.02 Discipline Procedures

The discipline procedure may be initiated only within twenty (20) Days of the date the President or Provost and Vice-President (Academic and Research) knew, or ought reasonably to have known, of the occurrence of the matter giving rise to discipline. The Employer shall have the right to request, in writing to the Union, an extension of ten (10) Days. The Union shall not unreasonably reject the Employer's request.

13.02.1 The President or the Provost and Vice-President (Academic and Research) shall initiate the procedure by notifying the Employee in writing with a copy to the Union to meet to discuss the matter. The letter shall provide to the Employee the facts upon which the Employer will rely in any possible subsequent disciplinary action. The President or Provost and Vice-President (Academic and Research) and the Employee may each have an advisor present, and the Union shall send a representative. An attempt shall be made at the meeting to resolve the matter in a manner satisfactory to all concerned.

13.02.2 If no satisfactory solution is reached at the meeting provided for in Article 13.02.1, within ten (10) Days the President or the Provost and Vice-President (Academic and Research) shall notify the Employee and the Union in writing of the disciplinary action taken and the reasons for that action. - d) suspension without pay
- e) dismissal for cause

13.02.4 Suspension is an action by the Employer to relieve an Employee of all University duties for cause without their consent. Only the President of the University may suspend or dismiss an Employee.

13.02.5 Dismissal is an action by the Employer to terminate an appointment without the consent of the Employee, before the end of the appointment period, and shall be only for just and sufficient cause. With the exception of terminations under Article 14 (Financial Exigency), the unilateral termination by the Employer of a probationary or limited-term appointment during the course of its term, and the termination of a tenured appointment constitute dismissal.

- 13.02.5.1 If the Employee's whereabouts are unknown to the Employer and the Union, the meeting described in Article 13.02.1 above shall be dispensed with and the President may immediately give notice of dismissal by registered mail addressed to the Employee at their last known address. A copy of the notice of dismissal will be sent to the Union.
- 13.02.5.2 If the Employee wishes to contest their dismissal, they shall, within thirty (30) calendar days of receiving written notice of dismissal (or, in the case of the Employee being notified by registered mail as provided for in Article 13.02.5.1, within thirty (30) calendar days of the registered receipt of the dismissal notice), give the Employer and the Union notice in writing that they request that the dismissal be submitted to arbitration. The Union may initiate arbitration procedures in accordance with Article 15.
- 13.02.5.3 The Employer shall not introduce into evidence at arbitration any notices of discipline of which the Employee was not aware. Any evidence introduced at an arbitration relating to discipline shall be confined to that which is relevant to the grounds of the notice of discipline referred to in this Article.
- 13.02.5.4 The Union has the option of choosing expedited arbitration or regular arbitration. In the event of expedited arbitration, the Employee shall continue to receive their salary and other benefits up to a maximum of six (6) months or until the arbitrator renders a decision, whichever comes first. In the event of regular arbitration, the Employee shall continue their salary and other benefits up to a maximum of four (4) months or until the arbitrator renders a decision, whichever comes first. At the Employer's discretion the Employee may be suspended from the performance of some or all of their duties.
- 13.03 If disciplinary procedures are in progress at the same time as an Employee is being considered for renewal, tenure, or promotion, either the Employer or Employee may request that the renewal, tenure or promotion process be deferred until the disciplinary process has been concluded. In cases of renewal or tenure, the Employee's contract shall be extended by the length of the deferral to allow for completion of the renewal or tenure process.
- 13.04 Failure of the Union to grieve a letter of reprimand or warning shall not be deemed to be an admission of the validity of the reprimand or warning.
- 13.05 Any record of discipline shall be removed from an Employee's Personnel File, and their Academic File if it has been placed there in accordance with Article 8.08.1.1, after a period of twenty-four (24) months from the date of the record of discipline provided that no subsequent infractions have been proven within that period and that no infraction is under investigation during that same period.
- 13.05.1 If an infraction is under investigation at the end of the twenty-four (24) month period defined in Article 13.05, and if that investigation concludes that there is

no cause for further discipline, the record of discipline shall be removed from the Employee's Personnel File, and their Academic File at the conclusion of that investigation.

13.06 Harassment and Discrimination

Harassment and discrimination may be the subject of discipline in accordance with the University's Harassment and Discrimination Policy.

- 14.02 The Board of Governors shall not declare a state of financial exigency except on *bona fide* financial grounds.
- 14.03 If the Board of Governors believes a financial exigency exists it shall give notice to the Union of that belief together with a statement of the financial reasons for that belief and shall establish a financial commission of three (3) persons. The Board of Governors shall consult the Union to establish an agreed list of names from whom these three (3) shall be chosen. The three (3) persons shall be selected by the Board of Governors within thirty (30) days of the decision to establish a financial commission. The terms of reference of the commission shall be:
- 14.03.1 to assess whether in the light of a full examination of the University's financial situation a *bona fide* financial exigency exists;
 - 14.03.1.1 the commission shall have access to all that financial information referring to the operations, assets and the ancillary enterprises of the University which is necessary to make a judgment as to whether there is a financial exigency or not;
 - 14.03.1.2 the commission shall invite submissions or written representations from the Union, the faculty and the student representative council;
 - 14.03.1.3 the occurrence of an operating deficit in any given year shall not necessarily constitute a *bona fide* financial exigency;
 - 14.03.2 to make recommendations, if it sees fit, as to what measures might be taken, whether through reductions of academic staff or other means, to resolve the exigency;
 - 14.03.3 to assess whether a decision to resolve the financial exigency through reductions of academic staff is necessary.
- 14.04 The report of the commission shall be advisory to the Board of Governors. The report shall be submitted to the Board of Governors within twenty (20) Days of the commission being constituted. After receiving the report, the Board shall make a decision as to whether or not a financial exigency exists, and shall promptly communicate this decision to the President, the Senate and the Union. The Board may not unreasonably disagree with the report of the commission. If the Board declares that a state of financial exigency exists, it shall make the report of the commission available to the Senate and the Union.
- 14.05 It is the responsibility of the Senate to recommend the general areas, by discipline, in which reductions are to be made.

- 14.05.1 Within twenty (20) Days of receiving the commission's report, the Senate shall make its recommendations to the President. If the President does not accept all the recommendations of the Senate they shall, within twenty (20) Days of receiving them, convoke a meeting of the Senate to discuss their reasons for rejecting or modifying them. Within thirty (30) Days of this meeting the President shall communicate their final decisions to the Departments with a statement of all the reasons of which the decisions are based.
- 14.05.2 The decision of the President shall not be subject to arbitration procedures as set out in Article 15 of this Agreement unless the grievance to be submitted to arbitration is based on an alleged violation of Article 2.04, Article 2.05 or Article 2.06. Other grievances against a decision made by the President pursuant to Article 14.05.1 shall, if unresolved, be subject, *mutatis mutandis*, to all the procedures of Article 15, with the exception that the arbitration board shall be composed of a member of the Board of Governors chosen by the Board of Governors, a member of the Union chosen by the Union and the Chair of the Board of Governors.
- 14.06 The termination of the appointments of individual faculty members, made necessary by a reduction in academic staff, shall be determined under the following procedures:
- 14.06.1 all Departments requested to reduce staff shall consider all their faculty members;
- 14.06.2 termination of academic appointments shall be in the following order of preference:
- 14.06.2.1 voluntary resignations shall be accepted first;
- 14.06.2.2 leave of absence without pay shall be offered to faculty members who wish to accept it;
- 14.06.2.3 faculty members holding appointments of limited term shall not be reappointed;
- 14.06.2.4 faculty members eligible for early retirement under Article 12.03.2 shall be offered the opportunity to retire in accordance with the terms of Article 14.08.2.
- 14.06.2.5 faculty members holding probationary or tenured appointments shall have their appointments terminated (tenure shall become a consideration in determining staff reductions only when all other factors are of equal weight).
- 14.06.3 Faculty members whose appointments are subject to termination shall be evaluated according to the criteria in Article 8.02 and shall be entitled to the same procedures *mutatis mutandis* as a faculty member applying for a renewal of a probationary appointment under Article 9.
- 14.07 After the selection of faculty members whose probationary or tenured appointments are to be terminated and prior to their termination the Employer shall make every reasonable effort to secure other positions in the University, including administrative positions, for any such

faculty members who are Employees qualified for those positions. Those who accept such employment shall, in the first year of that employment, be paid a salary not less than the floor for the salaries of Assistant Professors.

- 14.08 When the appointment of an Employee is terminated because of a reduction in academic staff, the University shall:
 - 14.08.1 actively assist the individual in seeking new employment.
 - 14.08.2 provide, for Employees holding probationary or tenured appointments, severance compensation amounting to two (2) months salary for every year up to four (4) years, and one (1) month for every year beyond four (4) years, the minimum for any individual being six (6) months salary and the maximum being the lesser of eighteen (18) months salary or two-thirds of the salary payable to age sixty-five (65); Employees eligible to apply for early retirement under Article 12.03.2 shall be offered an early retirement package at least equal to the preceding or the early retirement packages generally available over the preceding five-year period.
 - 14.08.3 give the Employee assurance that they will be offered the first appointment within the next five (5) years in any field for which they are academically qualified, it being understood that the order of seniority shall be observed where several such Employees are qualified for the same appointment.
 - 14.08.4 attempt to provide financial assistance for individuals who wish to pursue further education and training.
- 14.09 Employees whose appointments are subject to termination because of reduction in academic staff shall receive at least nine months notice of termination.
- 14.10 The University shall not contract for sale, transfer, amalgamation or merger of the University without making every effort to ensure that all Employees continue to be employed by the new Employer. Employees whose positions are eliminated as part of any such arrangements shall be entitled to all provisions under Article 14.08.2.

ARTICLE 17 WORKING CONDITIONS

17.01 Assignment of Teaching

- 17.01.1 It is expected that each Department shall ordinarily assign those courses within the Department which its members are to teach. In so doing, the Department is responsible for ensuring that there is a reasonable balance between small and large classes and that there is an equitable distribution of workload among members of the Department taking into account independent study courses, Honours thesis supervision, the varying demands of alternative teaching and evaluation methodologies. Whenever possible, there shall be prior consultation with Employees on the assignment of teaching duties.

In accordance with Article 5.03.2 of the Part-time Collective Agreement, and in preparation of the course timetable, by February 21 the Department Chair shall propose to the Appropriate Dean which courses the Department shall be offering in the upcoming Teaching Year. This list shall identify which courses are being taught by Full-time Members with Probationary, Tenured, and Limited-Term Appointments and by Regular Appointment Employees.

- 17.01.2 In recognition of the need for new faculty to develop scholarly research programmes, which may include scholarship on teaching, Departments should, whenever possible, limit the number of new courses assigned to faculty who have taught at St. Thomas fewer than four (4) years.
- 17.01.3 Authority to make assignments rests with the Appropriate Dean, who may in exceptional circumstances and following consultation with the Chair of the Department concerned, assign to Employees those courses they are to teach.
- 17.01.4 The University may adopt policies for minimum class size and advise students and Employees that courses with enrolments below specified levels may not be offered. Where enrolment in a course is below specified levels, the Appropriate Dean shall consult with the Department Chair. In these circumstances, the Department Chair shall make a recommendation based on academic program requirements to the Appropriate Dean on whether or not courses should be cancelled and any related reassignment of teaching duties. Authority to make reassignments rests with the Appropriate Dean, who may in exceptional circumstances and following consultation with the Chair of the Department concerned, reassign to Employees those courses they are to teach.
- 17.01.5 The time and place for each course are determined by the appropriate University authority. Reasonable requests by Employees for scheduling shall be accommodated where possible, if received before the annual timetable is finalized.

17.02.4 Variation in Standard Teaching Load

17.02.4.1 Upon voluntary application by an Employee, the Employer may, after consultation with the Department Chair, authorize a variation in the number of courses taught in a particular period in order that the standard teaching load may be realized over a longer period.

If the outside employment will continue into a new Academic Year, the Employee shall give written notice prior to the start of the Academic Year to the Department Chair and to the Appropriate Dean and shall identify any anticipated changes in the outside employment from the previous year.

The candidate must hold a recognized Ph.D. or academic credential equivalent to the Ph.D. as determined by the CAPT; or publicly available scholarly work judged by the CAPT, on the recommendation of the external assessors, to be of quality equivalent to doctoral research. Work submitted as equivalent to the Ph.D. may not be counted separately as evidence of continuing scholarship under other sections of this document except to the extent that it exceeds the work normally expected of a doctorate.

2. Length of Service

The candidate must have at least ten years Full-time University faculty membership, or at least five years in the rank of Associate Professor, completed by the date of promotion. For the purpose of determining length of service at rank, faculty members who receive an adjustment in rank as a result of completing requirements for new academic credentials, e.g. completion of Ph.D. requirements, within ninety (90) days of the commencement of a new Academic Year, shall be entitled to claim a full year of service for that Academic Year.

3. Categories of Achievement

The successful candidate must establish an area of excellence in either the teaching or scholarly and research activity categories, while meeting the minima in the other two categories, or establish a broad level of competence by meeting the stated criteria for broad competence in all three categories.

All the judgements called for in this section are to be made by the CAPT on the recommendation of the external assessors, selected according to the provisions of the Agreement. The primary role of external assessors is to provide a disciplinary and inter-institutional perspective and to advise on questions of equivalence from such a perspective.

4. Teaching

4.1 Minimum. The candidate must establish that their teaching has consistently been effective, responsible, and academically sound and current over an extended period.

4.2 Broad Competence. The candidate must establish that their teaching has consistently been of a quality significantly above the minimum over an extended period.

4.3 Excellence. The candidate must establish that their teaching is recognized by colleagues both internal and external to the University and by students as being notably excellent on a continuing and consistent basis.

4.4 Evidence. The candidate must supply evidence in respect of quality of teaching including a teaching portfolio. Documents which may be included in a teaching

portfolio include those listed under 4.41-4.46 below, and others deemed appropriate. Additional evidence might be internal and/or external awards, publications, citations, presentations at colloquia, seminars, workshops or conferences on teaching.
