WELCOME TO *ST. THOMAS UNIVERSITY*

“Students from around the world select St. Thomas University for *our high calibre, personalized academic experience*, and the *safe and caring community* we offer students.”

Dr. M. Nauman Farooqi,
BSc, MBA, MBA, PhD
President and Vice-Chancellor

Student Success is Our Priority

St. Thomas University prioritizes teaching and learning so that each student is prepared for personal and career fulfillment. Through leading academic programs and opportunities for experiential learning, we foster a robust and inclusive learning community that prepares graduates for the careers of tomorrow.

ACADEMIC *EXCELLENCE*

A primarily undergraduate university, the core academic program at St. Thomas University is our four-year Bachelor of Arts. Through a multidisciplinary approach, you will take courses from multiple academic subjects to diversify your knowledge, experience, and perspective before narrowing your focus in your preferred subjects.

- Tailor your degree to reflect your career ambitions
- Work closely with professors
- Learn in a community that's connected — inside and outside the classroom

Master of Studies in World Literatures in English at the University of Oxford
Elize Davila, BA'24

“Because of my *undergraduate experiences* in the classroom, I’m comfortable and confident to engage with my peers at Oxford. *STU professors encourage their students to believe in their abilities.*”

Learn from Experts

Classes are always taught by professors — not teaching assistants. STU professors are truly experts as 99% hold the highest degrees in their fields. Learn from experts as you navigate complex issues in small, discussion-based classes.

Small Class Advantage

The average class size is 23 students. Your professors get to know you by name, work with you one-on-one, and often include undergraduate students in their professional research.

Learning Beyond the Classroom

Put your learning into practice through courses that take you outside the classroom like Moot Court and Model United Nations or gain professional experience and networking advantages through internships and research assistant positions.

LIVE ON CAMPUS IN *STUDENT RESIDENCE*

As an international student, you are guaranteed a room for all four years of study if you reserve your room by the appropriate deadline.

STARTING AT ST. THOMAS: NEXT STEPS

Admission Requirements

International applicants must demonstrate academic strength in a high school program of university preparatory courses with subject distribution, other minimum requirements, and academic standing comparable to that required of Canadian applicants.

Advanced Placement and International Baccalaureate Applicants

Applicants presenting official documentation of the following grades are eligible for transfer credit.

- **AP:** 4 or 5 on tests (maximum of 18 credit hours in transfer)
- **IB:** 5, 6 or 7 on individual higher-level courses (maximum of 30 credit hours on a 120 credit-hour degree program)
- **GCE Advanced-Level Courses:** final grades of "C" or higher (maximum of 30 credit hours on a 120 credit-hour degree program)

ENGLISH LANGUAGE PROFICIENCY

If your primary language is not English, you may be required to submit proficiency scores. Based on your overall score, you will either be permitted to take a full academic course load, or you will be placed in our **English as a Second Language (ESL) Program** to pursue your studies for credit while continuing to improve language skills during the academic year. There are no additional costs. The St. Thomas ETS Code is 0803.
