DATE:

Name:

Position:

Department:

Part 1: Rating of Key Performance Factors:

Rating Codes: Check the rating that most appropriately describes performance for each factor.

Performance Does NOT Meet Expectations	Performance Needs Some Improvement	Performance Meets or Exceeds Expectations
The performance factor is not achieved in a satisfactory manner. Immediate and on-going attention needs to be given to ensure performance improves. Performance is inconsistent and unacceptable.	Performance inconsistencies exist. The performance factor is not routinely achieved in a satisfactory manner. Although some attention is required to improve, the employee demonstrates an ability and potential for improvement.	Performance meets or exceeds position requirements in terms of results achieved. Functions under expected levels of guidance and/or supervision and exhibits behaviour/skills that consistently meet or exceed expectations.

Key Performance Factors: Each key performance factor (i.e., Professionalism) includes several points to help define or describe the factor in more detail. It is NOT necessary, or expected, that the supervisor or employee comment on each point when providing reasons for the rating.

- 1) **Professionalism:** Does the employee demonstrate punctuality when reporting to work? Adhere to work breaks? Display a professional attitude towards their work? Willingly accept direction? Collaborate with others to achieve team goals? Respond well to constructive criticism? Is the employee flexible, adapting quickly to changing situations? How is their attendance? Does the employee cope with their own stress and that of others in a constructive manner? Is the employee accountable for all tasks/responsibilities as outlined within their job description?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

2) **Initiative:** Is the employee a self-starter who takes necessary action on their own? Does the employee take on additional work upon completion of tasks? Seek advice or guidance from experts when necessary? Approach career/personal development energetically by seeking out new information and acquiring new skill sets?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

3) **Collegiality & Service Orientation:** Does the employee respond quickly and pleasantly to internal service requests? Understand how their position and related responsibilities affect the overall unit? Maintain effective working relationships with other departments and individuals? Build and maintain external relationships, both formal and informal, that positively impact their job and the University's success? Is the employee personally committed to providing client satisfaction?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

4) **Communication:** Does the employee present information and ideas in a clear, articulate and accurate manner? Listen actively and effectively to understand the details and interpret the message correctly? Openly share opinions, ideas and relevant information with team members? Communicate positively and effectively to ensure the receiver of the information has a full understanding of what is being said or written?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

5) **Planning & Organization:** Does the employee anticipate obstacles and develop alternative plans and solutions? Establish specific, realistic and challenging objectives? Follow up on all areas of responsibility in a timely and thorough manner? Do they recognize needs and set priorities and schedules as required? Work through problems systematically and collect adequate facts? Maintain good administrative procedures to ensure reports and communications are accurate and on time?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

6)

6) **Analysis & Problem Solving:** Does the employee demonstrate focus and a sense of responsibility to resolve problems? Analyze and solve problems with accuracy and timeliness? Strive to find better ways of doing things by rethinking established work methods?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

7) **Decision Making & Judgment:** Does the employee perform effectively under pressure? Identify sound alternatives? Take action in a timely and responsible manner? Analyze the impact of different solutions considering time, resources and cost? Is the employee open to new ideas? Do the employee's personal views adversely affect their judgement? Is the employee able to say no diplomatically and decisively? Do the employee's decision-making ability and sound judgment lead to positive results?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

8)

8) **Productivity & Efficiency:** Does the employee consistently meet deadlines with quality and reliability? Effectively manage their time? Has the employee mastered the tools required to perform the job function? Do they learn and adapt to new concepts and tools? Bring new ideas and approaches to work situations, and think creatively despite limited resources or time?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

9) **Results Orientation:** Does the employee produce individual results that are aligned with the University's top priorities? Clearly demonstrate an understanding that they are responsible for both their individual and team results? Does the employee work to ensure that their efforts to produce superior results do not come at the expense of colleagues or team members? If applicable, does the employee's effective leadership of their team produce strong team results?

Rating: Does NOT Meet Expectations Needs Some Improvement Meets or Exceeds Expectations

Reasons for rating (examples are welcomed):

10) **Leadership (if applicable):** Does the employee act as a role model for their team members and colleagues within the University? Do they influence and persuade team members to accept new ideas? Address and resolve conflict with integrity and sensitivity? Utilize interpersonal skills to handle different personalities effectively? Do they empower employees, take an active interest in their growth, and collaborate with them on their career development plans? Does the employee provide their employees with fair and constructive feedback, identifying their strengths and opportunities for improvement? Do they assume responsibility for personal and team decisions?
